

Olympic Park track maintenance

From Monday 22 September to Thursday 25 September 2025

What we are doing

To improve service reliability, Sydney Trains will complete maintenance works at Olympic Park from Monday 22 September to Thursday 25 September.

Work activities include:

- Rerailing at Olympic Park
- Routine civil, signal, and electrical maintenance
- Station maintenance work to improve safety at stations
- Track defect removal to improve network reliability
- Track inspection and preventative maintenance
- Vegetation maintenance, litter and graffiti removal.

We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Noise

- These works may create additional noise at night.
- **Work will take place from 6am Monday 22 September to 4pm Thursday 25 September.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.
- Diesel work trains may have their engines running on site for an extended period.
- Finishing works including the removal of equipment may take place beyond the dates stated above.

Traffic and parking

- **Some parking near Shane Gould Avenue will be temporarily unavailable from 5am Monday 22 September to 5pm Thursday 25 September, to allow for site set up and storage.**
- Heavy vehicles will use local streets including Olympic Boulevard and Shane Gould Avenue to access the rail corridor.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
