

# Night work the Pacific Highway, Tuggerah to Watanobbi, from Monday 3 March

March 2025

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present

The Australian Government and NSW Government are investing \$420 million to upgrade the Pacific Highway through the Wyong Town Centre

## What work are we doing?

Transport for NSW are carrying out work on the Pacific Highway, between Johnson Road, Tuggerah and Britannia Drive, Watanobbi, which includes project sign installation.

## When and where we'll be working

Work will be carried out on Monday 3 March between 6pm and 5am.

Work is expected to be completed over one night, weather permitting.

## What will this mean for you?

You may notice:

- Workers and vehicles
- Traffic controllers and signage
- Lane closures and a 40km/h speed limit during work hours, which may affect travel times
- Noise from machinery and equipment.

Please keep to speed limits and navigate safely while passing our workers.

## Managing our impacts

We aim to manage our work to avoid impacts to the community and the environment. We will minimise impact by:

- Reducing our noise as much as possible by completing noisier works before 11pm

Thank you for your patience during this important work.
