

Investigation work on Richmond Road between Yarramundi Drive, Dean Park and Townson Road, Marsden Park from 26 May

Richmond Road Upgrade May 2025

Australian Government

Transport for NSW acknowledges the Dharug people as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW will be carrying out investigation work along the 2.2 kms section of Richmond Road between Yarramundi Drive, Dean Park and Townson Road, Marsden Park.

The additional information from the investigation work will help us plan future road safety and traffic efficiency improvements in the area.

What work are we doing?

- surveying the area and undertaking utility investigations to establish ground conditions and locate underground utilities
- contamination assessment works including test pitting using hand-held tools – all pits and holes will be backfilled and reinstated.

Our work schedule

We will be on site from **Monday 26 May to Friday 20 June**, weather permitting.

Our day hours are from 7am to 5pm from Monday to Friday.

Our night work hours are from 8pm to 5am Sunday to Friday.

We will not work on Saturdays and public holidays.

What will this mean for you?

We will work up to five day shifts and three night shifts over the period to reduce traffic disruption and any risks to the workers and road users during the day.

The night work will involve some use of noisy machinery. We will make every effort to lessen the disturbance where possible, completing noisier work by 11pm and turning off vehicles when not in use.

We will work for no more than two nights each week in one location.

Traffic changes

There will be temporary lane closures during night work hours to ensure the work zone is safe.

Please keep to speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, call **132 701**, visit **livetraffic.com** or download the Live Traffic NSW App.
