Subject: Sydney Terminal Building Revitalisation –Request for Agreement to Alternative
Timeframe

Dear Mr Dinkciler,

Thank you for your request for an alternative timeframe to obtain the endorsement of the Environmental Representative of the Community Consultation Strategy (CCS) under condition B3 of SSI 45421960 on 15/4/2025. Thank you also for your response to our request(s) for additional information.

Accordingly, under condition A10 and as nominee of the Planning Secretary, I agree to the commencement of low impact works prior to the endorsement of the CCS subject to both:

1. The CCS being endorsed by the ER prior to the commencement of any construction works (within the meaning of *construction* within SSI 45421960); and
2. No low impact works being undertaken after 16/5/2025 unless a CCS has been endorsed by the ER under condition B3.

Please make the document and this letter publicly available on the project website as soon as possible.

If you wish to discuss the matter further, please contact me.

Yours sincerely

Grant Rokobauer

Acting Director
Infrastructure Management

As nominee of the Planning Secretary
