Dear Josh

Subject: Environmental Representative (ER) Endorsement: Sydney Terminal Building Revitalisation Project Stage 1: Construction Environmental Management Sub-Plan Stage 1 (CEMP Rev E) (SSI 45421960)

I refer to Transport for NSW's (TfNSW) submission of the following CEMP Sub-Plan required by Conditions C1, C2 and C3 of the Infrastructure Approval for the Sydney Terminal Building Revitalisation project (SSI 45421960) which was approved by the Department of Planning, Housing and Industry (DPHI) on 17 November 2023:

- Sydney Terminal Building Revitalisation Project Stage 1: Construction Environmental Management Plan (CEMP Rev E dated 2 July 2025 document no. CPRPTB006-GARTN-HRSCENEAP-PM-PLN-000002)

It is noted that:

- Conditions C1 to C5 relate to the development and implementation of the CEMP.
- I have reviewed and commented on previous versions of the CEMP.
- TfNSW has conducted reviews of the document with no further open comments on the document.
- ER comments have been addressed in this latest version of the CEMP.

As the approved Environmental Representative for the Sydney Terminal Building Revitalisation project; and as required by Conditions A29d and C5 of the Infrastructure Approval, I have reviewed the document and on the basis of the above comments the Sydney Terminal Building Revitalisation Project Stage 1: Construction Environment Management Plan (CEMP Rev E dated 2 July 2025) is endorsed.

Yours sincerely,

Michael Woolley

Michael Woolley
Environment Representative for the
Sydney Terminal Building Revitalisation
