Dear Josh

Subject: Environmental Representative (ER) Endorsement: Sydney Terminal Building Revitalisation Project Stage 1: Construction Noise and Vibration Management Sub-Plan Stage 1 (CNVMP Rev 5) (SSI 45421960)

I refer to Transport for NSW's (TfNSW) submission of the following CEMP Sub-Plan required by Condition C6(b) of the Infrastructure Approval for the Sydney Terminal Building Revitalisation project (SSI 45421960) which was approved by the Department of Planning, Housing and Industry (DPHI) on 17 November 2023:

- Sydney Terminal Building Revitalisation Project Stage 1: Construction Noise and Vibration Management Plan (CNVMP Rev 5 dated 29 July 2025 document no. CPRPTB006-GARTN-HRSCENEAP-PM-PLN-000028)

It is noted that:

- Conditions C4 and C5 require that the CNVMP be submitted to the ER for endorsement prior to commencement of Construction (as defined in the Conditions).
- I have reviewed and commented on previous versions of the CNVMP.
- TfNSW has provided evidence of consultation with Heritage NSW indicating no comments were raised on the Plan.
- TfNSW have conducted reviews of the document with no further open comments on the document.
- ER comments have been addressed in this latest version of the CNVMP.

As the approved Environmental Representative for the Sydney Terminal Building Revitalisation project (Stage 1); and as required by Conditions A29d and C5 of the Infrastructure Approval, I have reviewed the document and on the basis of the above comments the Sydney Terminal Building Revitalisation Project Stage 1: Construction Noise and Vibration Management Plan (CNVMP Rev 5 dated 29 July 2025) is endorsed.

Yours sincerely,

Michael Woolley

Michael Woolley
Environment Representative for the
Sydney Terminal Building Revitalisation
