Re-opening on Friday 24 January

South Mosman Wharf has been upgraded as part of the Safe Accessible Transport program to make public transport safe, inclusive and easy to use for all passengers, especially people with disability, older people, people with prams or luggage and people with limited mobility.

New wharf features

Ferry passengers and other wharf users will benefit from the new and improved accessibility features, including:

- a new floating pontoon with a covered waiting area, passenger seating, glass weather screens and information boards
- a new lift providing access to all passengers
- new covered stairs
- a new covered accessway connecting the lift to the gangway on the lower foreshore
- a new covered gangway and jetty providing better weather protection
- additional pontoon safety and security features including lighting, closed circuit television (CCTV) cameras, water access ladders, life buoy and tactile ground surface indicators
- three new bicycle parking hoops installed at street level.

Transport for NSW acknowledges the Borogegal and Cameraygal as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.
