

Sutherland to Lysaghts track maintenance

Saturday 13 September 2025

What we are doing

To improve service reliability, Sydney Trains will complete maintenance works from Sutherland to Lysaghts and Unanderra on Saturday 13 September.

Work activities include:

- Civil track maintenance
- Drainage maintenance at Otford
- Overhead wiring defect removal
- Routine signal and electrical maintenance
- Station maintenance work to improve safety at stations
- Track defect removal to improve network reliability
- Track inspection and preventative maintenance
- Turnout inspections between Waterfall and Unanderra/Lysaghts
- Vegetation maintenance.

We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Noise

- These works may create additional noise at night.
- **Work will take place from 3am to 11am on Saturday 13 September.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.

- Diesel work trains may have their engines running on site for an extended period.
- Finishing works including the removal of equipment may take place beyond the dates stated above.

Traffic and parking

- Heavy vehicles will use local streets to access the rail corridor. Parking will be limited near access gates.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
