

# Turrella Station Upgrade Community Update

## Transport Access Program

March 2025

Transport for NSW acknowledges the Bidjigal people of the Eora Nations as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

### Finishing work at Turrella Station

Last year, Transport for NSW completed accessibility upgrades at Turrella Station to improve access and safety for people with disability or limited mobility, and parents and carers with prams.

We now need to conduct investigation work around the station to prepare for upcoming relocation of utilities in the area.

### When we'll be working

Investigation work will be undertaken on **Tuesday 25 March** outside Turrella Station, at the corner of Reede and Turrella Street, between 8.30am and 3.00pm.

### What will this mean for you?

There will be a partial lane closure on Turrella Street from 9.00am until 2.30pm.

You may notice:

- traffic controllers and signage
- partial lane closures and reduced speed limits.

Vehicle and pedestrian access will be maintained at all times and traffic control will be available to assist pedestrian movements during work hours.
