

# Changed traffic conditions in Blayney from Monday 14 April

April 2025

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW is carrying out essential maintenance work in Blayney.

## What work are we doing?

The work will include heavy patching to repair the damaged road surface.

## When and where we'll be working

We will be working on **Church Street** between **Osman Street and Lindsay Street**.

We have included a map over the page to show the location of works.

We will be working between **7am** and **5pm** from **Monday 14 April** and we expect to complete the work in **one week**, weather permitting.

We will let you know in advance if we need to do any work outside of these hours.

## Traffic impacts

**The intersection of Orange Road and Lindsay Street will be closed for the duration of the works.**

**During work hours access to Lindsay Street will be via Ogilvy Street only.**

There will be a number of traffic changes in place during work hours:

- reduced speed limit to 40 km/h
- single lane closures
- intermittent stopping.

All road users are advised to follow the directions of signs and traffic control and slow down on approach.

For the latest traffic updates, call 132 701, or visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## Managing our impacts

We aim to manage our work to avoid impacts to the community and the environment.

This includes:

- reducing our noise as much as possible
- turning off machinery and vehicles when not in use.

## What will this mean for you?

You may notice:

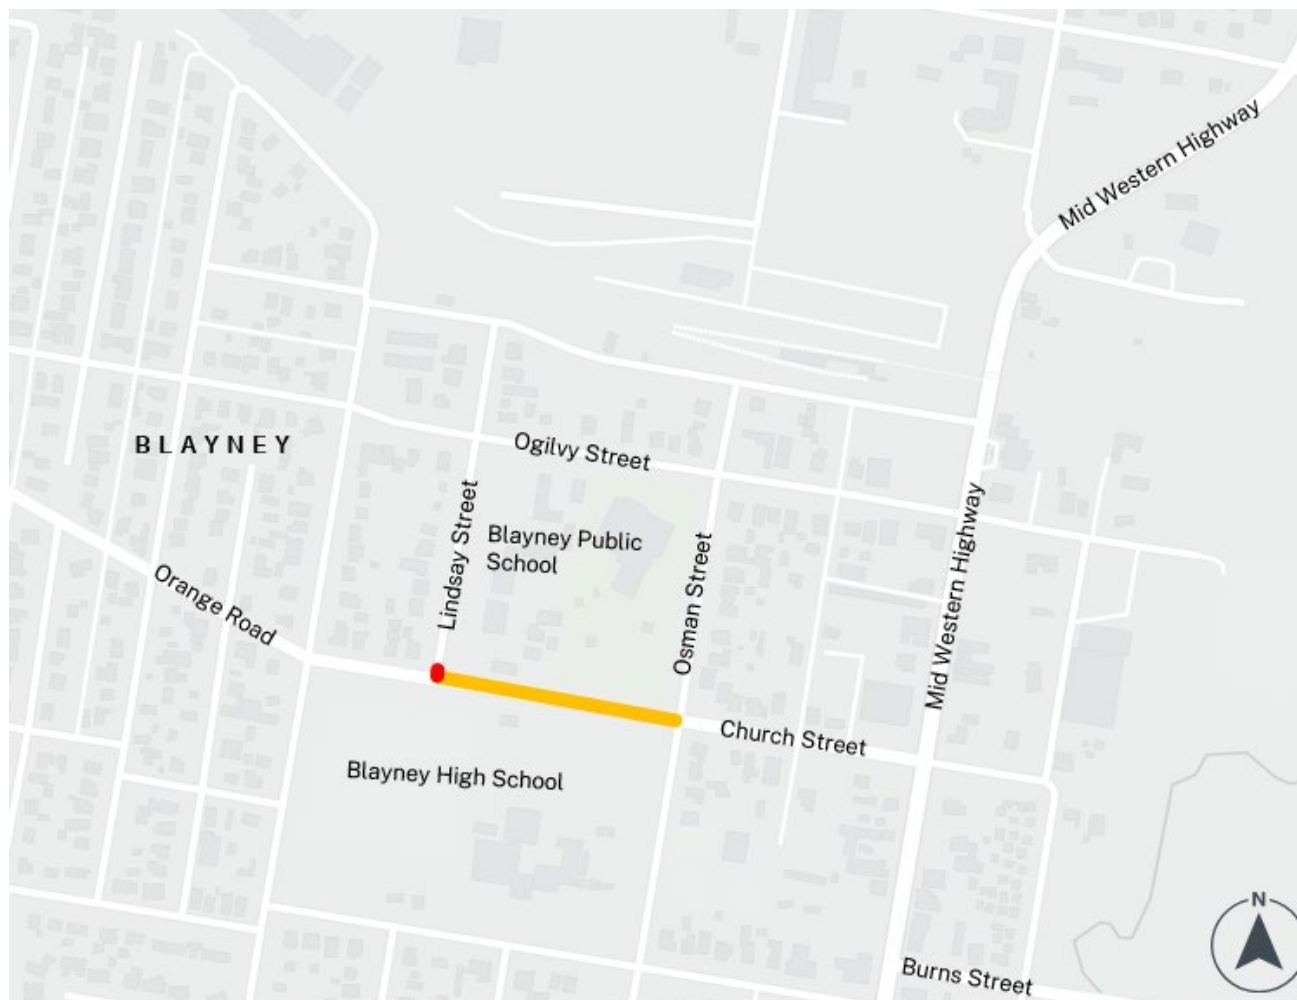

- noise from machinery and equipment
- traffic control and signage in place
- single lane closures and reduced speed limits.

We understand that this work may cause some inconvenience, and we thank you for your patience during this time.

If you have any questions or concerns, please get in contact with us.
