

Nightworks for essential road maintenance on Bogan Street in Parkes from Wednesday 14 May

May 2025

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW is carrying out essential road maintenance work along Bogan Street, Parkes.

What work are we doing?

The work will include water blasting the road to provide an improved surface texture.

Water blasting treatments are performed overnight and typically when the weather is cooler because the bitumen is removed and managed more efficiently when it's colder and more brittle, rather than when it is warm and soft.

We will be working along a 700 metre section of Bogan Street between the intersections of Grenfell Street and Church Street.

We have included a map to show the location of our work area.

When we'll be working

We will be working from **6pm Wednesday 14 May** to **6am Thursday 15 May**. We are working at night to minimise the disruption to road users as much as possible.

We expect to complete the work in **one night**. All work activities and dates are subject to weather and site conditions.

What will this mean for you?

There will be some temporary traffic changes to ensure the work zone is safe.

Single lane closures and a **40 km/h speed limit** will be in place during work hours which may affect travel times.

The speed limit will return to the posted speed limit outside of work hours.

Motorists should allow up to **ten minutes** extra travel time during work hours.

Please keep to the speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can download the Live Traffic NSW app, visit [livetraffic.com](https://www.livetraffic.com) or call 132 701.

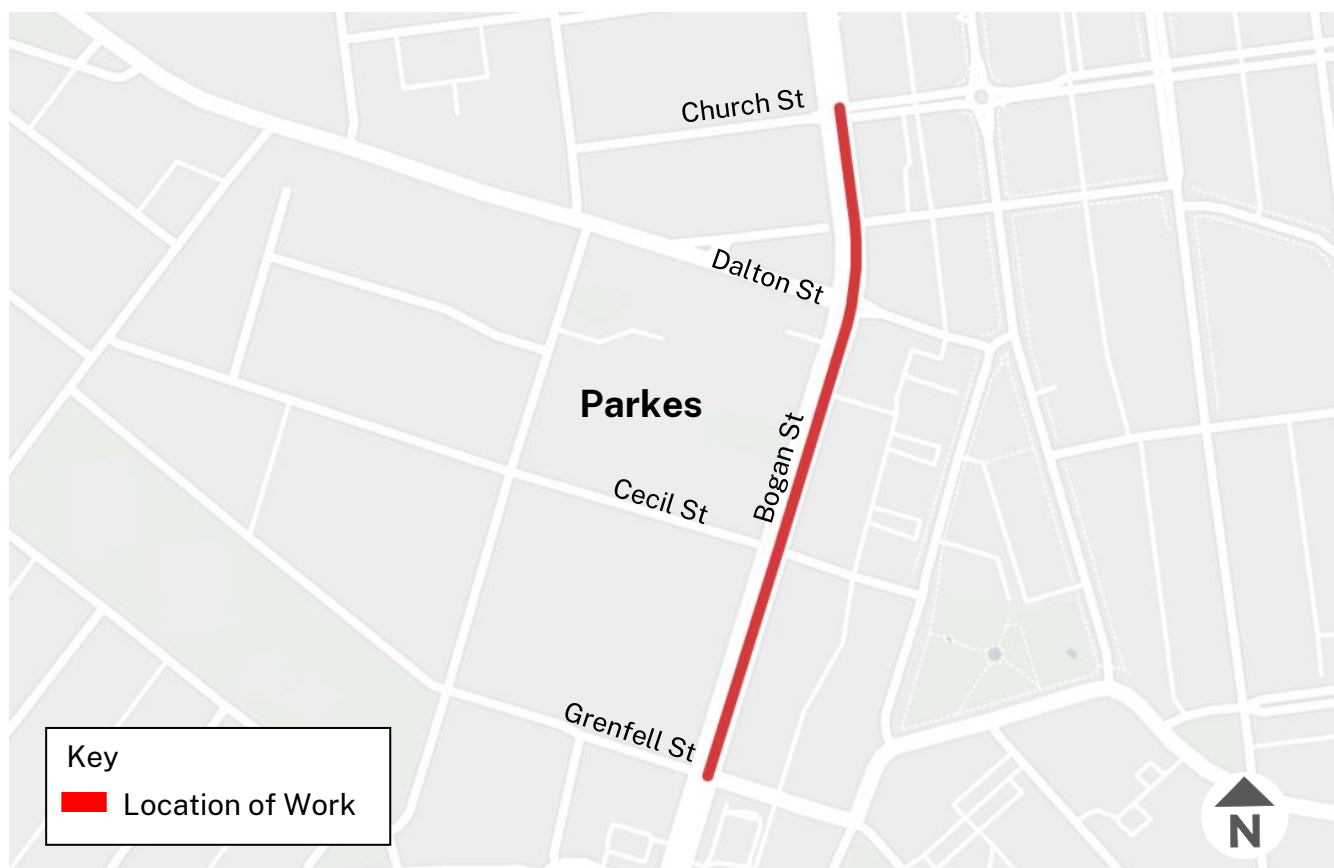

Managing our impacts

We aim to manage our work to minimise impacts to the community and the environment.

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise where possible.

We understand that the work will generate some inconvenience, and we thank you for your patience.
