

Road work complete on Wisemans Ferry Road, Cattai Road, Eldon Street and Bathurst Street

Community Notification

July 2025

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW has completed essential road maintenance work on Wisemans Ferry Road, Cattai Road, Eldon Street and Bathurst Street.

The work involved repairing damage to sections of all four state maintained roads following record breaking rainfall across the state during 2022. Critical short term road patching work was carried out over 2022 and 2023 while the longer term solution was being designed. The longer term program of work commenced on 5 December 2024 and was completed on 30 June 2025.

What work have we completed?

Between 5 December 2024 and 30 June 2025 sections of damaged road surface were replaced at six locations across Wisemans Ferry Road, Cattai Road, Eldon Street and Bathurst Street.

These locations included:

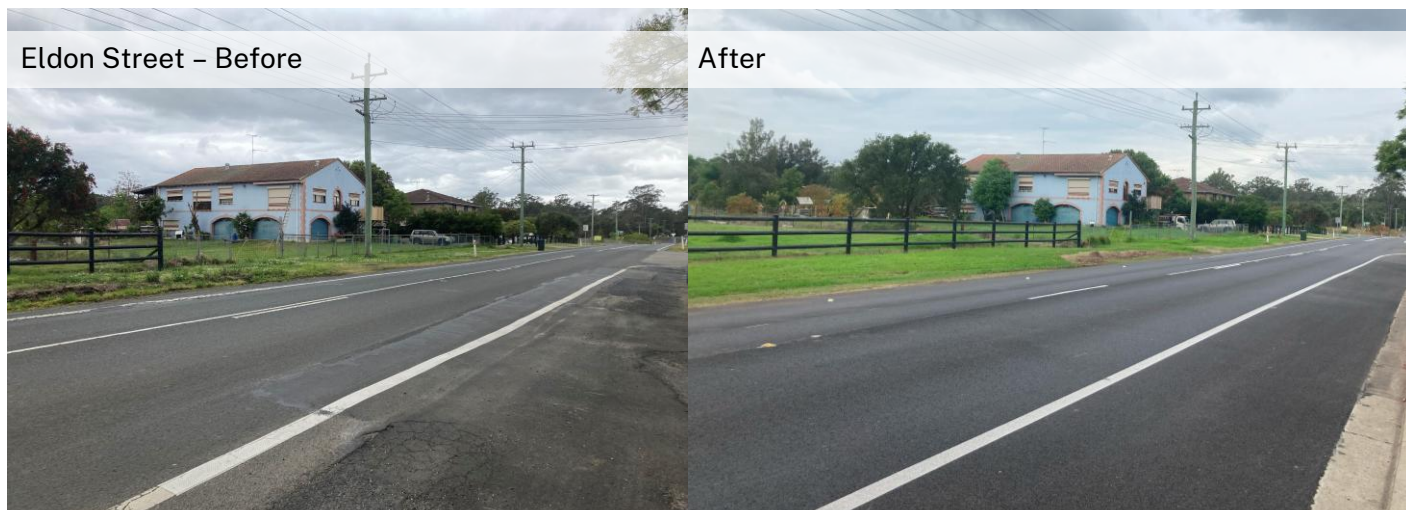

- Wisemans Ferry Road between Cliftonville Road and 1407 Wisemans Ferry Road, Maroota

- Wisemans Ferry Road between Charcoal Road and Paulls Road, South Maroota
- Wisemans Ferry Road between Cattai Creek and 177 Wisemans Ferry Road, Cattai
- Eldon Street and Cattai Road between Chatham Street and Canning Place, Pitt Town
- Bathurst Street between Glebe Road and Chatham Street, Pitt Town
- Wisemans Ferry Road between 283 Wisemans Ferry Road and Wheeny Creek Road, Cattai.

The resurfacing work was completed over 57 night shifts under road closures to keep our workers and motorists safe.

Thank you

We acknowledge that the road detours were inconvenient at times and thank the community for their patience and understanding while we completed this essential program of works.

Bathurst Street – Before

After

Wisemans Ferry Road – Before

After

Approximately 65,000 square metres of road resurfaced

Approximately 18,700 tonnes of new asphalt laid

6 locations completed between December 2024 - June 2025
