- Station maintenance to improve safety
- Track defect removal to improve network reliability
- Track inspection and preventative maintenance
- Track resurfacing, tamping and rail grinding activities
- Turnout grinding at Merrylands, Yennora and Fairfield
- Vegetation maintenance, litter, and graffiti removal.

We understand this work may have an impact on you and we appreciate your patience and understanding.

## How this affects you

### Noise

- These works may create additional noise at night.
- **Work will take place from 2am Saturday 20 September to 4am Monday 22 September.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.
- Diesel work trains may have their engines running on site for an extended period.
- Finishing works including the removal of equipment may take place beyond the dates stated above.

### Traffic and parking

- Heavy vehicles will use local streets to access the rail corridor. Parking will be limited near access gates.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

**We apologise for any inconvenience and thank you for your cooperation during these essential works.**
