

# Bardwell Park Station Upgrade Community Notification

## Safe Accessible Transport program

November 2025

Transport for NSW acknowledges the people of the Dharawal Nation as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW is upgrading Bardwell Park Station to improve accessibility, convenience and safety.

### In October work included:

- Ongoing construction of the concrete lift shaft, stair support columns and platform
- Installation of steel for the new lift, platform posts, screens and weather protection canopies
- Installation of in-ground power and water service routes
- Platform resurfacing on the western end of the platform.

### What work are we doing this month?

#### In November, work includes:

- Concrete work near the new station entrance
- Installation of temporary railings and handrails
- Installation of new weather protection canopies at the western end of the station platform
- Installation and upgrade of power services to the station platform.

### When and where we'll be working

In November standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm Saturday**.

### Out-of-hours work

From **9pm to 4am on Monday 10 and Tuesday 11 November**, work will take place to install part of the new station entrance roof structure. This activity has been scheduled at night when trains are not running to reduce the impact on passengers and improve safety for workers.

### Temporary changes to station toilets.

The male toilets on the station platform are now closed, while we construct new and improved toilet facilities on the station platform. One of the female toilets has now been converted to a unisex toilet for passenger use, while the other female toilet is now closed.

### Visit us at Bardwell Park Station
