

Change to construction hours

Bardwell Park Station Upgrade

September 2025

Transport for NSW acknowledges the Dharawal Nation as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW is upgrading Bardwell Park Station to improve accessibility, convenience and safety.

As part of the ongoing work at Bardwell Park Station, construction hours will be extended for a week and a half in September to safely and efficiently deliver key structural elements for the new elevated concourse and lift.

Out-of-hours work

From **Thursday 18 September to Saturday 27 September 2025 between the hours of 6pm and 10pm**, work will take place on the station platform.

The majority of this work will take place behind the temporary screening on the station platform and is not expected to be noisy.

What work are we doing?

These construction activities will include:

- Installation of scaffolding
- Installation of structural formwork.

Managing our impacts

We aim to minimise impacts to the community by:

- Fencing the work area for safety and security
- Reducing our noise as much as possible by turning off equipment when not in use
- Using quieter equipment where possible

Standard construction hours

Standard construction hours are **7am to 6pm Monday to Friday and 8am to 1pm Saturday**.

We thank you for your patience and understanding as we work to deliver a safer and more accessible station.

If you have any questions or concerns, please contact the project team on the project Infoline 1800 684 490, or email projects@transport.nsw.gov.au
