

Upcoming night work

Bridge Road Cycleway, Glebe

September 2025

Transport for NSW acknowledges the Gadigal, Wangal and Bidjigal people of the Eora Nation as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Night work to deliver a range of improvements as part of the project will be carried out from Tuesday 30 September.

Planned work on Bridge Road, scheduled from **Saturday 27 to Monday 29 September**, did not proceed this weekend due to forecast rain, despite the hot weather.

To minimise delays to the project, we have **rescheduled work between Tuesday 30 September and Thursday 2 October on Lyons Road, between Parramatta Road and Bridge Road.**

Night work hours are from 8pm to 5am.

What this means for you

We'll be using a profiler, excavators, and saw cutters to complete our work. We'll implement a range of measures to minimise any noise, light and vibration generated by our machinery.

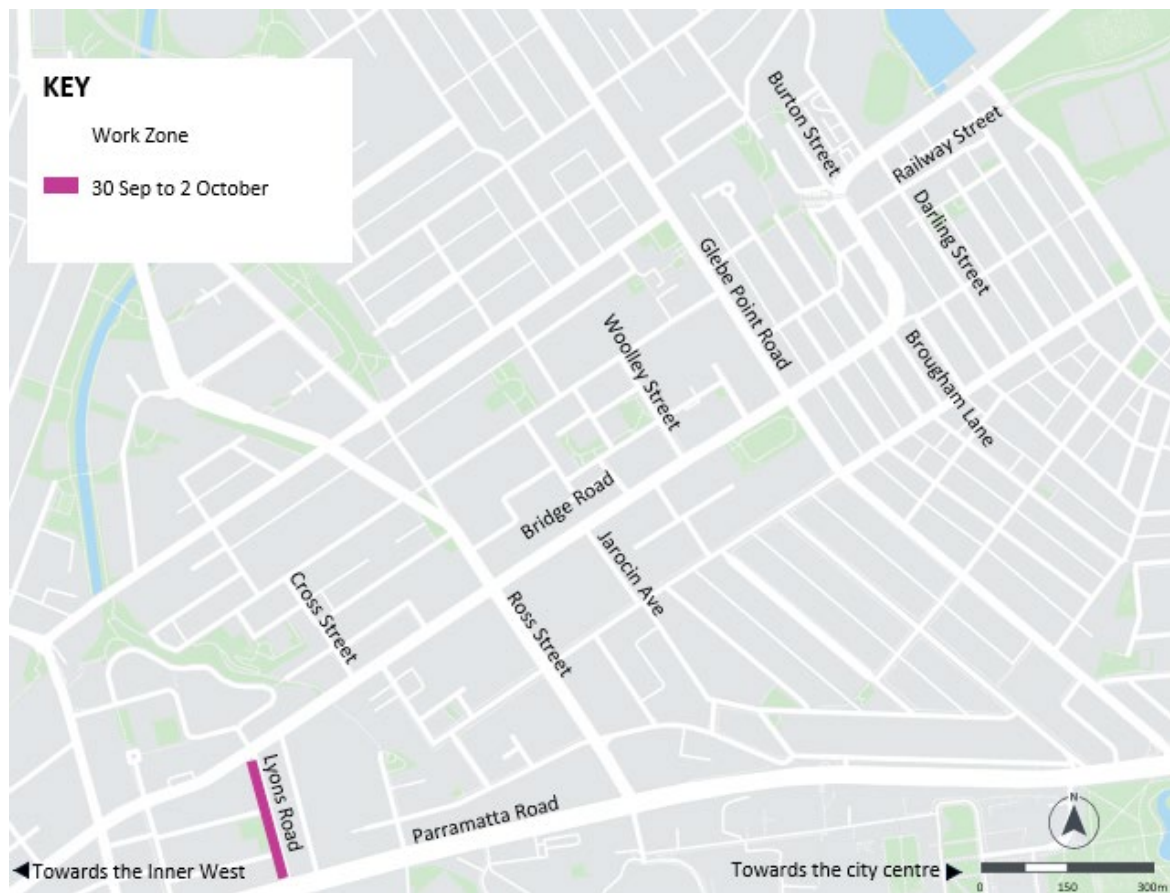

There will be temporary traffic changes in place. Please follow all instructions by traffic control.

If you have any questions about this work please contact us on **1300 959 936** (24-hours).
