

Bulli station retaining wall work

From Saturday 16 August to Sunday 17 August 2025

What we are doing

To improve service reliability, Sydney Trains will complete maintenance works on the west side of Franklin Avenue at Bulli Station from Saturday 16 August to Sunday 17 August.

Work activities include installing concrete piles, panel installation, backfilling and excavation works.

We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Noise

- These works may create additional noise at night.
- **Work will take place from 4am Saturday 16 August to 10pm Sunday 17 August.**
- **Deliveries for the backfill materials will take place from 7am to 5pm Tuesday 12 August to Friday 15 August.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.
- Finishing works including the removal of equipment may take place beyond the dates stated above.

Traffic and parking

- Heavy vehicles will use local streets to access the rail corridor. Heavy vehicles will be accessing the site via Franklin Avenue rail corridor access gate
- Parking will be limited near access gates.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
