

# Old Hume Highway/ Remembrance Driveway, Cawdor bus stop work from Sunday 4 May 2025

## Bus Priority Infrastructure Program

April 2025

Transport for NSW acknowledges the Dharawal People as the Traditional Custodians of the surrounding lands and waterways on which we work, and also recognise the Dharug and Gundungurra Nations, and pay respects to Elders past and present.

The NSW Government is committed to restoring reliability across the public transport network. The Bus Priority Infrastructure Program is a rolling program that delivers infrastructure to address the reliability and efficiency of bus services in Greater Sydney.

This work will improve the end-to-end customer experience by improving pedestrian access to and from existing bus stops as well as improving safety.

### Where and what work are we doing?

We will be working on the Old Hume Highway/Remembrance Driveway, near Macarthur Circuit, Cawdor to provide a safer location for buses to stop and provide better access for passengers.

Our work includes:

- providing a footpath to the bus stop
- widening the road shoulder and road resurfacing to allow buses to pull up safely
- relocating the bus stop sign
- new paved area for passengers to board and exit buses safely.

### When we'll be working

We will be onsite for up to **7-night shifts** between **Sunday 4 May and Thursday 15 May 2025**, weather permitting.

Our working hours will be between **7pm and 5am Sunday to Thursday**.

We will not work on Friday or Saturday nights.

### Managing our impacts

Our work needs to be carried out at night to minimise disruption to traffic and reduce safety risks to our workers, pedestrians, and road users.

It may be noisy at times, but we will do everything we can to minimise our impacts by:

- completing noisy work activities by midnight where possible
- targeted lighting to minimise light spill
- turning off machinery and vehicles when not in use.

### What this means for you?

The bus stop 2570116 on Old Hume Highway/ Remembrance Driveway near Macarthur Circuit will not be in operation during our working hours. Bus routes 49 and 894 use this bus stop.

Please use the alternate bus stop 2570208 on the Old Hume Highway/Remembrance Drive across from Thompson Place laneway, about 280 metres north of the current bus stop. See map over the page.

While this work takes place, you may also notice:

- workers and vehicles
- traffic controllers and signage

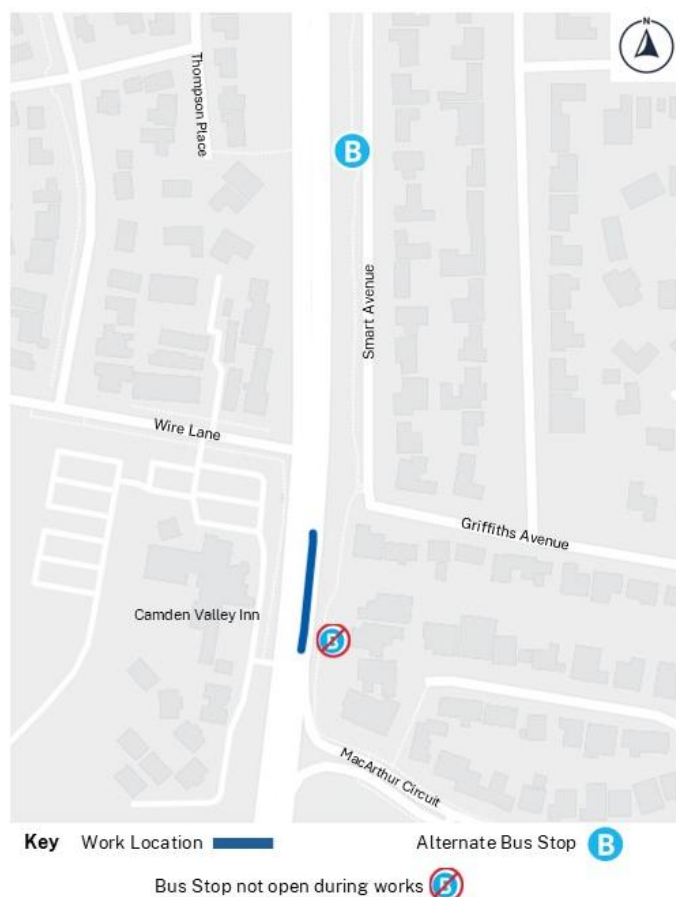

## Traffic and pedestrian impacts

There will be temporary traffic changes while we complete this work. This includes a single lane closure and a reduced speed limit of 40km/h. Please keep to the speed limits and follow the direction of traffic control and signs.

Traffic control will assist road users and pedestrians through the work area, if required.

For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.
