

# Central to Port Kembla track maintenance

From Friday 15 August to Monday 18 August 2025

## What we are doing

To improve service reliability, Sydney Trains will complete maintenance works between Central and Port Kembla from Friday 15 August to Monday 18 August.

At Sydenham Station, Sydney Metro works will include minor defect works at the station and services building and installation of screens on the freight rail overbridge.

Work activities include:

- Ballast cleaning at between Waterfall and Coalcliff
- Cutting stabilisation works at Waterfall, Penshurst, and Helensburgh
- Drainage works at Hurstville
- Embankment works at Coalcliff and Scarborough
- Maintenance works between Tempe and Arncliffe
- Platform reconstruction at Jannali
- Rerailing at Kogarah, Arncliffe and Hurstville
- Resleepering works at Sutherland
- Retaining wall works at Woollooware and Farrell Road, Bulli
- Routine civil, signal, and electrical maintenance
- Signal commissioning works at Waterfall
- Signal LED upgrades at Scarborough
- Station maintenance work to improve safety at stations
- Track defect removal to improve network reliability
- Track inspection and preventative maintenance
- Track reconditioning at Penshurst
- Track resurfacing, tamping, and rail grinding activities
- Turnout refurbishment at Wolli Creek
- Turnout renewals between Sydenham and Tempe
- Vegetation maintenance, litter and graffiti removal.

We understand this work may have an impact on you and we appreciate your patience and understanding.

## How this affects you

### Noise

- These works may create additional noise at night.
- **Work will take place from 10pm Friday 15 August to 2am Monday 18 August.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.
- Diesel work trains may have their engines running on site for an extended period.
- Finishing works including the removal of equipment may take place beyond the dates stated above.

### Traffic and parking

- Heavy vehicles will use local streets to access the rail corridor. Parking will be limited near access gates.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

**We apologise for any inconvenience and thank you for your cooperation during these essential works.**
