

Culvert maintenance at unnamed creek on Henry Parkes Way west of Manildra from Monday 24 February

February 2025

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW will carry out essential maintenance work at the culvert over the unnamed creek located around nine kilometres west of Manildra on Henry Parkes Way to improve drainage.

What work are we doing?

The work will include:

- Removing vegetation and debris from around and inside the culvert
- Placing rocks to protect against erosion around the culvert.

When and where we'll be working

We will be working at the culvert over the unnamed creek located around nine kilometres west of Manildra on Henry Parkes Way, just east of the intersection with Bocobra Road.

We have provided a map over the page to show the location of the work.

Work will commence on **Monday 24 February 2025** and is expected to take up to **two weeks** to complete.

Working hours will be between **7am and 6pm from Monday to Friday**.

All work activities and dates are subject to weather and site conditions.

What this will mean for you

There will be temporary traffic changes to ensure a safe work zone, including:

- **intermittent stopping**
- **single lane closures**
- **a reduced speed limit of 40km/h** during work hours.

Outside work hours, both lanes will reopen, and the speed limit will return to normal.

Please allow up to **ten minutes** of extra travel time during this period and always follow the direction of traffic controllers and signs.

Managing our impacts

We aim to manage our work to minimise impacts to the community and the environment.

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise by turning off machinery and vehicles when not in use.

We understand that the work will generate some inconvenience and we thank you for your patience.
