

# Essential maintenance work on the Castlereagh Highway from Monday 28 April

April 2025

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW will be carrying out essential maintenance work on the Castlereagh Highway between Muraiman Street, Gulargambone and Beanbah Road north of Coonamble to improve safety.

## What work are we doing?

The work will include spraying bitumen to maintain the road with a waterproof surface at multiple one-kilometre-long sites, with only one site active at any time.

## When we'll be working

Work will commence on **Monday 28 April 2025** and is expected to take up to **three weeks** to complete, weather permitting.

Working hours will be **7am to 6pm on Monday to Friday** and **8am to 1pm on Saturday**.

All work activities and dates are subject to weather and site conditions.

## What this will mean for you

There will be temporary traffic changes to ensure a safe work zone, including:

- **temporary traffic lights to stop traffic in both directions while bitumen spraying occurs at each one-kilometre-long site**

- **a reduced speed limit of 40km/h during work hours**
- **a reduced speed limit of 60km/h outside of work hours.**

Please allow up to **15 minutes** of extra travel time during this period and always follow the direction of traffic controllers and signs.

For the latest traffic updates, you can call 132 701, visit [www.livetraffic.com](http://www.livetraffic.com) or download the Live Traffic NSW App.

## Managing our impacts

We aim to manage our work to minimise impacts to the community and the environment.

Each work site will be one-kilometre-long to minimise wait times for stopped traffic. Only one site will be active at any time to minimise delays along the stretch of highway being resealed.

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise by turning off machinery and vehicles when not in use.

We understand that the work will generate some inconvenience and we thank you for your patience.
