

Round 4 successful projects

transport.nsw.gov.au

Fixing Local Roads

June 2025

LGA	Project name	Project description	Funding amount
Albury City Council	Mutsch Street, Lavington - Rehabilitation/Maintenance	Reconstruction of 400m road including, new kerb and gutter, new asphalt seal and new stormwater drainage line.	\$833,460
Armidale Regional Council	Rockvale Road, Armidale - Sealing/Resealing	Upgrade a 2.2 km section of Rockvale Rd, including, upgrading the existing gravel section to sealed, extending the road width, new drainage infrastructure and safety improvements with new guardrail and improvements to property accesses.	\$2,571,959
Ballina Shire Council	Pacific Parade, Lennox Head - Rehabilitation/Maintenance	The 620m rehabilitation project will repair isolated pavement failure, including, waterproofing the pavement, provide a structural wearing surface, asphalt heavy patching of identified isolated pavement failures.	\$268,766
Balranald Shire Council	Benanee Road, Euston - Gravel Resheeting	Rehabilitation of 14.9kms of road including, improving formation and gravel resheeting.	\$1,650,000
Bathurst Regional Council	Howick Street, Bathurst - Rehabilitation/Maintenance	Rehabilitation of 650m of road including, milling of existing pavement and fill with 100mm asphalt.	\$703,500
Bellingen Shire Council	Gleniffer Road, Gleniffer - Rehabilitation and resealing	Rehabilitation of 2,870m of road including, additional spray seal treatment of 1,020m total (3,890m), improvements to stormwater drainage, address safety issues that can be improved with signage, line marking and guard rails.	\$2,922,214
Bland Shire Council	Girral Road, Blow Clear - Sealing/Resealing	Sealing and rehabilitation of 8.kms of road including, the renewal of pavement and wearing surfaces and an extensive drainage upgrade, new floodways, additional pipe culvert structures, installation of guide posts and improved signage.	\$5,348,820

Blayney Shire Council	Neville Road, Blayney - Rehabilitation/Maintenance	Heavy patching of 1.2kms of road including, widening and drainage upgrades, reinstatement of roadside drainage, replacement of 2 culverts, extension of 1 culvert, stabilisation of the existing pavement layer and the overlaying of a 200mm DGB20 base pavement layer and a two-coat seal.	\$1,020,832
Bogan Shire Council	Benah Road, Canonba - Rehabilitation/Maintenance	Repairs to 10km of road, including, raising the existing road formation, drainage improvements and re-sheeting.	\$997,158
Bourke Shire Council	Toorale Road, Bourke - Sealing/Resealing	Sealing of 10.6 km from RLR 10 between Dunlop and Trilby Stations.	\$3,000,000
Brewarrina Shire Council	Jobs Gate Road, Weilmoringle - Sealing/Resealing	Constructing 6.8km of new sealed road, pavement will be 10 meters wide with an 8 meter seal.	\$1,500,000
Broken Hill City Council	Thomas Street, Broken Hill - Rehabilitation/Maintenance	Reconstruction of 237m road, boxing out the existing pavement wearing course, subbase and road base, investigate the stormwater drainage from the hospital and build a new road with new materials and apply a proper drainage system. Work including an upgrade of the spoon drain along this road section, kerb and gutter to remain as is.	\$1,308,327
Byron Shire Council	Left Bank Road, Mullumbimby Creek - Sealing/Resealing	Rehabilitation of 2.9 kilometres including renewal of pavement, new seal, heavy patching and repaired drainage.	\$1,588,126
Cabonne Council	Longs Corner Road, Canowindra - Rehabilitation/Maintenance	Reconstruction including: Overlay 200mm DGS25. Construct of proper table drains. Clear the veg which affecting the sight distance. Resealing, installing guidepost and Line marking.	\$1,086,727
Carrathool Shire Council	Various Roads, Goolgowi - Gravel Resheeting	Apply a durable pavement to 23.5km of various local unsealed roads, to eliminate pot holes/corrugations, providing a formation suitable for wet weather events and providing a compacted road surface.	\$834,251
Central Coast Council	Church Road, Tuggerah - Rehabilitation/Maintenance	Stabilisation of 2.053km base layer to suitable depth, spray seal, clearing and reshaping the table drain and reinstating the line marking.	\$1,083,984
Central Darling Shire Council	Racecourse Road, Menindee - Sealing/Resealing	Sealing of 3.9kms of road including, widen base formation to approximately 10.6m along the project length allowing for improved road draining benefits, sealing of 7m width on top of the broadened base formation, raising vertical alignment in key sections where required for overall road resilience and functionality and installation of culverts in 3 strategic locations to handle the worst flood prone areas of the road.	\$2,343,472

Cessnock City Council	Sandy Creek Road, Quorrobolong - Rehabilitation/Maintenance	Rehabilitation of 1.32km long section of Sandy Creek Road includes restoration of the shoulder, earthwork to the pavement, clean out of culverts, renewal of pavement and wearing surfaces with in-situ pavement stabilisation and new seal, both surface drainage and culverts, installation of safety barriers, delineation and improvements to sight distance.	\$2,369,837
Cobar Shire Council	Grain Road, Euabalong - Sealing/Resealing	Sealing 15kms of the existing unsealed road, including, the construction of 5 concrete causeways which will resolve many of the washout issues created during rain/storm events.	\$3,041,395
Coffs Harbour City Council	Orlando Street, Coffs Harbour - Rehabilitation/Maintenance	Rehabilitation of 350m of Orlando Street between Pacific Highway and GDT Secombe Close.	\$470,294
Coolamon Shire Council	Marrar North Road, Murrumbidgee - Rehabilitation/Maintenance	Rehabilitation of two sections of road totalling 2.97km. Works include renewal of pavement and wearing surface, clearing and repairs to existing drainage structures and reinstatement of table drains.	\$454,718
Coonamble Shire Council	McCullough Street, Coonamble - Rehabilitation/Maintenance	Rehabilitation of 433m of pavement 8 m wide with primer seal the full width reseal to the road and removal of trees.	\$183,600
Cootamundra-Gundagai Regional Council	Hovell Street, Cootamundra - Rehabilitation	Rehabilitation of 0.6km, including the renewal of pavement and wearing surface.	\$1,804,120
Cowra Council	Kangaroo Road, Gooloogong - Sealing/Resealing	Sealing of 3kms of road including, section of the existing unsealed Kangaroo road; part of the 'Local Collector' network in the Cowra LGA to extend the length of all weather local road access to the Regional Road and State Road network.	\$601,000
Dubbo Regional Council	Ballimore Road, Geurie (Stage 2)- Sealing/Resealing	Seal 1.75km of road including the REF, geotechnical investigations, design, drainage improvements, pavement construction, bitumen sealing, and clear zone improvements.	\$1,432,943
Dungog Shire Council	Allyn River Road, Halton - Rehabilitation/Maintenance	Rehabilitation of 3.7km, including the widening and renewal of pavement, wearing surfaces, new seal, and pavement marking.	\$2,800,000
Eurobodalla Shire Council	George Bass Drive, Surf Beach - Rehabilitation/Maintenance	Rehabilitation of 170m of George Bass Drive including renewal of the pavement and wearing surfaces, stormwater and subsoil drainage upgrades and kerb and gutter and concrete median replacement.	\$545,880

Federation Council	Whitehead Street, Corowa - Rehabilitation/Maintenance	Rehabilitation of a 4.34km section of pavement including widening where required and application of a new 7.0m wide bitumen seal.	\$2,730,000
Forbes Shire Council	West Plains Road, Forbes - Rehabilitation/Maintenance	Heavy patching of 6.6kms in 27 sites, including some large patches.	\$414,414
Gilgandra Shire Council	National Park Road, Curban - Sealing/Resealing	Seal unsealed section of this road in two sections of 4.5km and 5km each. including formation widening with the addition of pavement and a wearing course. Drainage will similarly be addressed along the route with at least one creek crossing converted into a formalised causeway with appropriate signage and flood height markers installed. No road re-alignments or land acquisition form part of this proposal.	\$3,000,000
Glen Innes Severn Council	Red Range Road, Glen Innes - Rehabilitation/Maintenance	Rehabilitation of 3.2km of pavement including renewal of associate drainage structures and seal.	\$936,320
Goulburn Mulwaree Council	Windellama Road, Windellama - Rehabilitation	Rehabilitation of 6.75km section of road which has significant pavement deterioration. The project will build on road improvements achieved in Stage 1 of this project successful FLR Round 2. Stage 2 will connect the 2 sections a combined total distance of 16km delivering considerable benefit for all users.	\$3,000,000
Greater Hume Shire Council	Brocklesby Balldale Road, Brocklesby - Sealing/Resealing	Reconstruction and sealing of 3.25km of works including, reconstruction widening and sealing of the road, replacing and extending culverts, removing hazards within the clear zone and installing guard rail, guide posts, signage and line marking.	\$2,337,262
Griffith City Council	Dickie Road, Nericon - Sealing/Resealing	Rehabilitation and upgrade 2.0km of pavement to permit access to key agricultural industry for all types of vehicles including Road trains in all weather conditions. This will include widening, strengthening and sealing of the pavement and shoulders, improve road drainage, provide sufficient safe clearance to power poles, increasing lane width to reduce crash potential.	\$1,738,354
Gwydir Shire Council	Wearnes Road, Bundarra - Sealing/Resealing	Resheeting and sealing 17km of road, upgrading drainage structure and installing 4 new causeways, bitumen patching 2.9km of sealed road	\$2,845,929
Hay Shire Council	Hay, North and Pimperai Street, Maude/Booligal - Sealing/Resealing	Reconstruct and seal 890 meters in total of 3 village streets in the Hay LGA.	\$200,000

Junee Shire Council	Old Cootamundra, Dirnaseer - Rehabilitation/Maintenance	Rehabilitation, strengthening and widening of 6km of Old Cootamundra Road by adding two additional layers of gravel and sealing of the pavement with 7/14mm C240 Seal. The project also includes replacement of some culverts and trimming/removal of trees.	\$2,684,423
Kyogle Council	Ettrick Road, Horse Station Creek - Rehabilitation/Maintenance	Rehabilitation of 3.45km of existing road to a 6m two coat seal on a 7m formation whilst improving geometry, including shoulder widening and repairs, upgrade drainage, repair and/or renew culverts and establish improved drainage lines (table drains). The finishing delineation will be line marking, installation of guardrail and roadside signage to Australian Standards.	\$1,618,499
Lachlan Shire Council	Boona Road, Condobolin - Other: reconstruction and widening	Rehabilitation of a minimum of 4 km, including the renewal of pavement, build up of road shoulders with gravel to enable a minimum seal width of 7.2 metres. The remaining 14 km will be formed up to enable a minimum 7.2 metre seal width, then reseal the full 18 km of widen road pavement.	\$2,970,000
Lake Macquarie City Council	Thompson Road, Speers Point - Rehabilitation/Maintenance	Rehabilitation/replacement of 590m of road pavement. The road requires full depth road reconstruction, replacing the surface, base and sub-base layers. Kerb and Channel replacement will be undertaken as required.	\$1,964,124
Lismore City Council	Richmond Hill Road, Richmond Hill - Rehabilitation/Maintenance	Repair 2km section of road pavement on Richmond Hill Rd between Whispering Valley Drive and Laihaina Cres, including repairing of the travel lanes to existing width and some widening to increase the shoulder width.	\$2,800,000
Lithgow City Council	Hampton Road, Hampton - Sealing/Resealing	Resealing 4.8km of road, including remove existing sealed surface, undertake pavement replacement, overlay 2 coat 14/7 sealed surface, replacement of guideposts, roadside vegetation clearing and drainage works and reinstatement of line marking and speed limit markings after resealing works are completed.	\$2,355,180
Liverpool Plains Shire Council	Blackville Road, Blackville - Rehabilitation/Maintenance	Rehabilitation of 17.61kms of road including, widening the formation to 7 metres, stabilising the existing pavement with lime/slag product to a depth of 200mm, placement of a 150mm compacted pavement base and 6 metre 20mm seal.	\$3,306,662
Lockhart Shire Council	Hollies Road, Lockhart - Rehabilitation/Maintenance	Upgrade 600m drainage by removing cracked concrete causeway and replace with concrete box culvert. Install guardrail both sides, upgrade gravel road surface 300mm depth 7m wide by 65m long. Install signs and shape surrounding embankments to match.	\$344,850

Maitland City Council	Wollombi Road, Farley and Rutherford - Rehabilitation/Maintenance	Rehabilitation of 740m including renewal of pavement and wearing surfaces, new seal and kerb and gutter restoration.	\$910,000
MidCoast Council	Lansdowne Road, Langley Vale - Rehabilitation/Maintenance	Rehabilitation of 380m of road including, stabilization and new wearing course.	\$918,179
Mid-Western Regional Council	Coricudy Road, Olinda - Sealing/Resealing	Sealing of 4.65km of road including widening and strengthening the pavement followed by sealing a width of 6.0m, while re-establishing table drains and clearing shoulders as part of the work.	\$1,890,900
Moree Plains Shire Council	IB Bore, Moree - Sealing/Resealing	Reconstruction and sealing of a 2.2 km section of SR126 I B Bore Road. The segment in question starts at the Newell Highway and finishes at the shire boundary with Gwydir Shire.	\$1,545,000
Murray River Council	Perricoota Road, Bunnaloo - Gravel Resheeting	Rehabilitation of 14.3km of road, including gravel resheeting, pavement strengthening and stabilisation.	\$1,398,477
Muswellbrook Shire Council	Victoria Street, Muswellbrook - Rehabilitation/Maintenance	Heavy patching of 400m of road, including the removal, the pavement gravel will be pulverised by road reclaimer machinery. Then a binder is added for strength, the pavement is watered and re-compacted before a surface seal of either asphalt or sprayed seal is applied.	\$721,433
Narrabri Shire Council	Harparary Road SR11, Narrabri - Sealing/Resealing	Reconstruction and sealing of 5km of gravel road, which includes pavement strengthening and widening to accommodate Heavy Vehicle use and dual passage, drainage improvement works associated with culverts and swale drains, and minor modifications to levels.	\$3,343,268
Narrandera Shire Council	Old Wagga Road, Narrandera - Rehabilitation/Maintenance	Widen and rehabilitation of 3.6km of Old Wagga Road, including the renewal of pavement and wearing surfaces, new seal, upgraded drainage and reinstate clear zones. Improvement to vertical curves and a intersection re-alignment.	\$815,539
Narromine Shire Council	Farrendale Road, Narromine - Sealing/Resealing	Reconstruction including: Full width earth works to widen road formation. Gravel imported for pavement, shoulder and batter improvements. Full width Bitumen surface widening. Drainage improvements. Use of innovation such as geosynthetics to improve design life and/or heavy rock base.	\$1,072,242
Oberon Council	Arkstone Road, Arkstone - Rehabilitation/Maintenance	Rehabilitate and repair a further 5.6km of road including improving current road formation chemical stabilization of the road pavement, bitumen resealing to 8 m wide and improving roadside drainage.	\$3,000,000

Orange City Council	Huntley Road, Orange - Rehabilitation/Maintenance	Rehabilitation, patching and repair of 6.4km of road including, stabilisation, patching, resealing, drainage, line marking works, guardrail repairs and augmentation and new signage installations.	\$2,300,000
Port Macquarie-Hastings Council	Pacific Drive, Port Macquarie - Rehabilitation/Maintenance	Heavy patching of 1.22kms of road including, removal of the existing wearing surface, heavy patching of soft areas, replacement with asphalt surfacing, line marking and delineation and intersection markings.	\$2,732,029
Port Stephens Council	Avenue of the Allies, Tanilba Bay - Rehabilitation/Maintenance	Rehabilitation of 900m of Avenue of the Allies, from Lemon Tree Passage Rd to King Albert Ave/ Diggers Drive	\$1,062,844
Queanbeyan-Palerang Regional Council	Oallen Road, Oallen - Rehabilitation/Maintenance	Rehabilitation of 7.6km of road by way of insitu stabilisation. The works will include widening the existing pavement from 5.5m to 8.0m, strengthening of the existing pavement, renewing the bitumen seal and line marking with the addition of guardrail in required areas.	\$2,999,543
Richmond Valley Council	Coraki Ellangowan Road, Ellangowan - Rehabilitation/Maintenance	Rehabilitation of 2.7km of road, including, shoulder reforming, heavy patching, resurfacing, crack repairs, culvert repairs, improve roadside drainage, install centre line marking and signage.	\$1,395,517
Shoalhaven City Council	Murramarang Road, Bawley Point - Rehabilitation/Maintenance	Reconstruction of 359m and rehabilitation of 455m including renewal of pavement, new seal, drainage improvements.	\$1,125,000
Singleton Council	Rural Roads, Varous Locations - Other: Heavy Patching	Heavy patching 222.549km, 8848sqm on 76 individual roads across 175 segments	\$1,097,427
Snowy Valleys Council	Yaven Creek Road, Yaven Creek - Rehabilitation/Maintenance	Pavement stabilisation of 6km of road to a depth of 150mm with two coat seal and correction of drainage issues adjacent to the works	\$2,956,800
Tamworth Regional Council	Kingstown Road, Kingstown - Sealing/Resealing	Sealing of 6.9km of unsealed road including, pavement upgrade, provision of a wearing course, drainage improvements and safety improvements - including but not limited to shape corrections and removal of roadside hazards where appropriate.	\$2,886,873

Temora Shire Council	Various Roads, Temora - Sealing/Resealing	Sealing of 3.665 km of unsealed roads including minor earthworks (drainage shaping, formation shaping), minor drainage structure construction, subbase pavement construction recycling existing unsealed pavement material, base pavement construction (imported material), trimming and 2 coat 10/7 bitumen sealing and reinstate traffic facilities.	\$999,399
Tenterfield Shire Council	Paddys Flat Road, Tabulam - Rehabilitation/Maintenance	Rehabilitation of 13.2kms of road including, widening from SH16 to Hootons Road (9.2km), rehabilitation of concrete bridge approaches (Emu Creek), pavement and sealing of unsealed section to Frames Road (4km) and extension of culverts.	\$2,999,116
Tweed Shire Council	Terranora Road, Terranora - Rehabilitation/Maintenance	Rehabilitation of 1.08km of road including the renewal of asphalt pavement, bitumen seal & asphalt wearing surface.	\$1,479,089
Unincorporated Far West	UR16 Bootra Road (South), Packsaddle - Gravel Resheeting	Gravel resheeting, reshape formation, install table drains along the length of the section of the road. Install floodways as required along the section of road. This will increase resilience and reduce the road closers.	\$1,650,000
Upper Hunter Shire Council	Hunter Road, Moonan Flat - Ellerston - Sealing/Resealing	Rehabilitation of 4kms of unsealed gravel carriageway including, road realignment, pavement will be widened, repair and/or replacement of damaged/undersized drainage structures, install additional drainage structures through cuttings and low-lying sections of road, removal of vegetation, slope stabilization and widening, install signage and guard rail and seal of the 4km segment of road.	\$2,999,999
Upper Lachlan Shire Council	Breadalbane Road, Breadalbane - Sealing/Resealing	Rehabilitation of 6.1km of road including the renewal of pavement and wearing surfaces and upgraded drainage.	\$1,196,466
Wagga Wagga City Council	Keajura Road, Tarcutta - Sealing/Resealing	Upgrade and seal the existing 2.7km of unsealed pavement.	\$1,332,283
Walgett Shire Council	Cryon Road, Rowena - Sealing/Resealing	Reconstruction and sealing of 6.6kms of road including, design and investigation of the road and pavement, cross drainage and table drains, re-formation and compaction of the existing road surface, supply, spread and compaction of gravel, spray seal with two coats of 10 and 14 mm aggregates, seal width will be 8m wide. Guide post and line marking.	\$3,000,000
Warren Shire Council	Nevertire Bogan Road, Nevertire - Rehabilitation/Maintenance	Rehabilitation and widening of 8km of road including, renewal of pavement, wearing course, line marking and any ancillary works.	\$2,813,215

Warrumbungle Shire Council	State Forest Road, Coolah - Sealing/Resealing	Sealing of 5.3km of road, including road widening where room allows, upgrade of drainage, new guardrail, renewal of grids and installation of pullover bays for passing.	\$2,161,897
Weddin Shire Council	Nowlans Road, Bimbi - Sealing/Resealing	Sealing of 21.2kms of road including, 5.7km of sealed pavement with extensive potholes and road failure at a width of 7.0m, 15.5km of Unsealed Road with pavement with minimum thickness of existing Gravel Pavement,	\$2,998,632
Wentworth Shire Council	Old Wentworth Road, Coomealla - Rehabilitation/Maintenance	Rehabilitation of 830m of road including, full width stabilisation, pavement and seal surface renewal of sealed road from Silver City Highway to end of sealed pavement on Old Wentworth Road.	\$209,361
Wingecarribee Shire Council	Sallys Corner Road, Exeter - Rehabilitation/Maintenance	Rehabilitation of 560m of road and renewal of wearing surface. The roundabout carriageway pavement is to be renewed and need to be surfaced with 50 AC. The table drains need to be cleaned and reshaped.	\$1,412,165
Yass Valley Council	Back Creek Road, Gundaroo - Sealing/Resealing	Rehabilitation and sealing of 4.34km of road including tree removal to create clear zones, improvements to drainage, renewal of the road pavement and sealing of the road.	\$2,979,110
Bega Valley Shire Council	Nethercote Road, Nethercote - Sealing/Resealing	Stabilisation/rehabilitation of 2.17 km of road including, pavement stabilisation, associated earthworks, drainage, installation of guardrail, signage and sealing of the remaining unsealed section of Nethercote Road.	\$ -

Council withdrew the above successful project in this round. The project involved the resealing of Nethercote Road.

Project list last updated June 2025.

Please note: although this information is updated regularly, project conditions can change rapidly, and so some details may not reflect more recent project developments. For the most up-to-date project information, please contact fixinglocalroads@transport.nsw.gov.au or the relevant Council.
