

Forest, Bonds and Boundary Roads Intersection Upgrade

Community notification

July 2025

Transport for NSW acknowledges the Bidjigal people of the Tharawal Nation as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

As part of the Urban Road Congestion Program, Transport for NSW is upgrading the intersection at Forest Road, Bonds Road and Boundary Road to improve traffic flow, enhance safety and reduce congestion.

As we prepare for construction, you will start to see our crews on site doing work to establish a site compound at the corner of Forest Road and Bonds Road, Peakhurst.

The site compound will support the upgrade of the Forest, Bonds and Boundary Road intersection by providing a safe and secure area to store materials, equipment and vehicles.

What work are we doing?

As part of setting up the site, works will include:

- Installing temporary fencing, signage and environmental controls
- Establishing site offices and worker amenities
- Creating a designated parking area for construction vehicles
- Storing containers and construction materials
- Stockpiling materials for use during construction.

When and where we'll be working

We'll be working from **Monday 21 July 2025** at the corner of Forest Road and Bonds Road, Peakhurst.

Working hours are **7am to 6pm, Monday to Friday and 7am to 1pm, Saturday.**

We'll do our best to keep noise and disruption to a minimum and thank you for your patience during this important work.

How will the work affect you?

During work hours, you may notice:

- Noise and vibration from machinery
- Dust generated by site activities
- Increased truck movements around the compound area

Access to properties will be maintained at all times. Traffic control will be in place to help guide pedestrians and motorists safely around the area.

Contact Us

If you have questions or concerns regarding this site compound or the project, please contact our delivery partner, Mack Civil, on **1800 071 752** or **community@mackcivil.com.au**
