WHAT WORK ARE WE DOING AND WHERE?

UGL Regional Linx (UGLRL), on behalf of Transport for NSW, will be upgrading the rail bridge at Friday Hut Road, Binna Burra. Consultation with the community and stakeholders commenced on 16 June 2025 to understand how the proposed work may impact them.

FEEDBACK RECEIVED TO DATE

Following valuable feedback from the community and stakeholders, it has been made clear that Dudgeons Lane is not suitable as a detour route for the upcoming works.

In response to this feedback, we have identified an alternative route:

Primary Detour Route

A 21.8-kilometre detour via Friday Hut Road, Coolamon Scenic Drive, and Lismore Road, is available with an extended journey time of up to 23 minutes.

Please refer to the map over the page.
