

Guildford Station Lift 1 Upgrade

From Tuesday 7 October to Monday 22 December 2025

What we are doing

Sydney Trains is undertaking major lift replacement work at Guildford Station from Tuesday 7 October to Monday 22 December.

To improve service reliability, reduce the need for ongoing maintenance and enhance customer facilities, we will be upgrading lift 1. This lift provides access from the Street level, Platform 1 to Foot Bridge level.

We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Access to Platform 1

- Lift 1 will be unavailable from Tuesday 7 October to Sunday 21 December.
- During the work, passengers requiring lift access will be required to travel to Merrylands Station and return via Platform 2 at Guildford Station.
- There will be hoarding in place around the work area,
- We aim to have the lift reopened on Monday 22 December.

Traffic and parking

- These works may create additional noise at night and on the weekend.
- **Work will take place from:**
 - 8pm to 5pm Sunday 7 October to install hoarding
 - 7am to 5pm Monday to Saturday between Monday 8 October and Saturday 20 December to upgrade lift.
- Equipment may be delivered to the worksite outside of this time. Due to travel restrictions on large vehicles, some of these deliveries may need to take place at night.
- Finishing works may take place following this period, including the removal of equipment.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
