

# Hawkesbury River track maintenance

From Saturday 23 August to Sunday 24 August 2025

## What we are doing

To improve service reliability, Sydney Trains will complete maintenance works at Hawkesbury River from Saturday 23 August to Sunday 24 August.

Work activities include:

- Cutting and removing old rail
- Installing, welding and grinding new rail.

We understand this work may have an impact on you and we appreciate your patience and understanding.

## How this affects you

### Noise

- These works may create additional noise at night.
- **Work will take place from 4am Saturday 23 August to 10pm Sunday 24 August.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.
- Diesel work trains may have their engines running on site for an extended period.
- Finishing works including the removal of equipment may take place beyond the dates stated above.

### Traffic and parking

- Heavy vehicles will use local streets to access the rail corridor. Parking will be limited near access gates.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

**We apologise for any inconvenience and thank you for your cooperation during these essential works.**
