

Heathcote Road Overtaking Lane

May 2025

Transport for NSW acknowledges the Tharawal people of the Eora Nation as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

The NSW Government is working to improve safety on Heathcote Road, with plans to add an overtaking lane between Lucas Heights and Engadine.

What work are we doing?

The NSW Government has committed \$180 million to fund the planning, development, and delivery of this project.

Transport for NSW will deliver an extension of the existing westbound overtaking lane on Heathcote Road.

The new lane will extend 900 metres from Heathcote Road Bridge to connect with the existing overtaking lane, creating a continuous 2.4-kilometre overtaking section

What have we done so far?

- Geotechnical investigations
- Biodiversity surveys
- Options assessment to identify the best route
- Utility surveys
- 20% of the concept design completed

What's happening Next?

- Continuing concept design work
- Further biodiversity and geotechnical surveys

When we'll be working

We'll be working **day shifts** between **Monday 31 March** and **Friday 30 May 2025**, weather permitting.

Our work hours will be between **7am and 5pm Monday to Friday**. We will not work on weekends or public holidays.

Benefits of the project

The Heathcote Road Overtaking Lane Project is designed to improve traffic efficiency and road safety.

By strengthening network resilience, the project will ensure smoother and more dependable travel.

Additionally, careful consideration will be given to local wildlife, including koalas, with appropriate mitigation measures in place to protect their habitat.

This significant investment will support essential road improvements, benefiting both motorists and the broader community.
