

# Temporary pedestrian detours - Birnie Avenue and Bombay Street from 18 August

## Hill Road Upgrade

August 2025

Transport for NSW acknowledges the Dharug people as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW is upgrading Hill Road between Parramatta Road and Bombay Street to the south and Old Hill Link to the north to improve connectivity to Carter Street Precinct, Sydney Olympic Park and surrounding areas.

The program is funded as part of the \$140 million Housing Acceleration Fund (HAF) by Department of Planning, Housing and Infrastructure.

### What work are we doing?

#### Temporary footpath closures Birnie Avenue and Bombay Street

From 18 August we will temporarily close the footpaths on the north side of Birnie Avenue and south side of Bombay Street for approximately six months.

The closures are necessary for the road widening works as part of the Hill Road upgrade.

The maps on the next page show the detour routes for pedestrians. Please follow the signage to safely move through the area.

### What will this mean for you and how we will manage it?

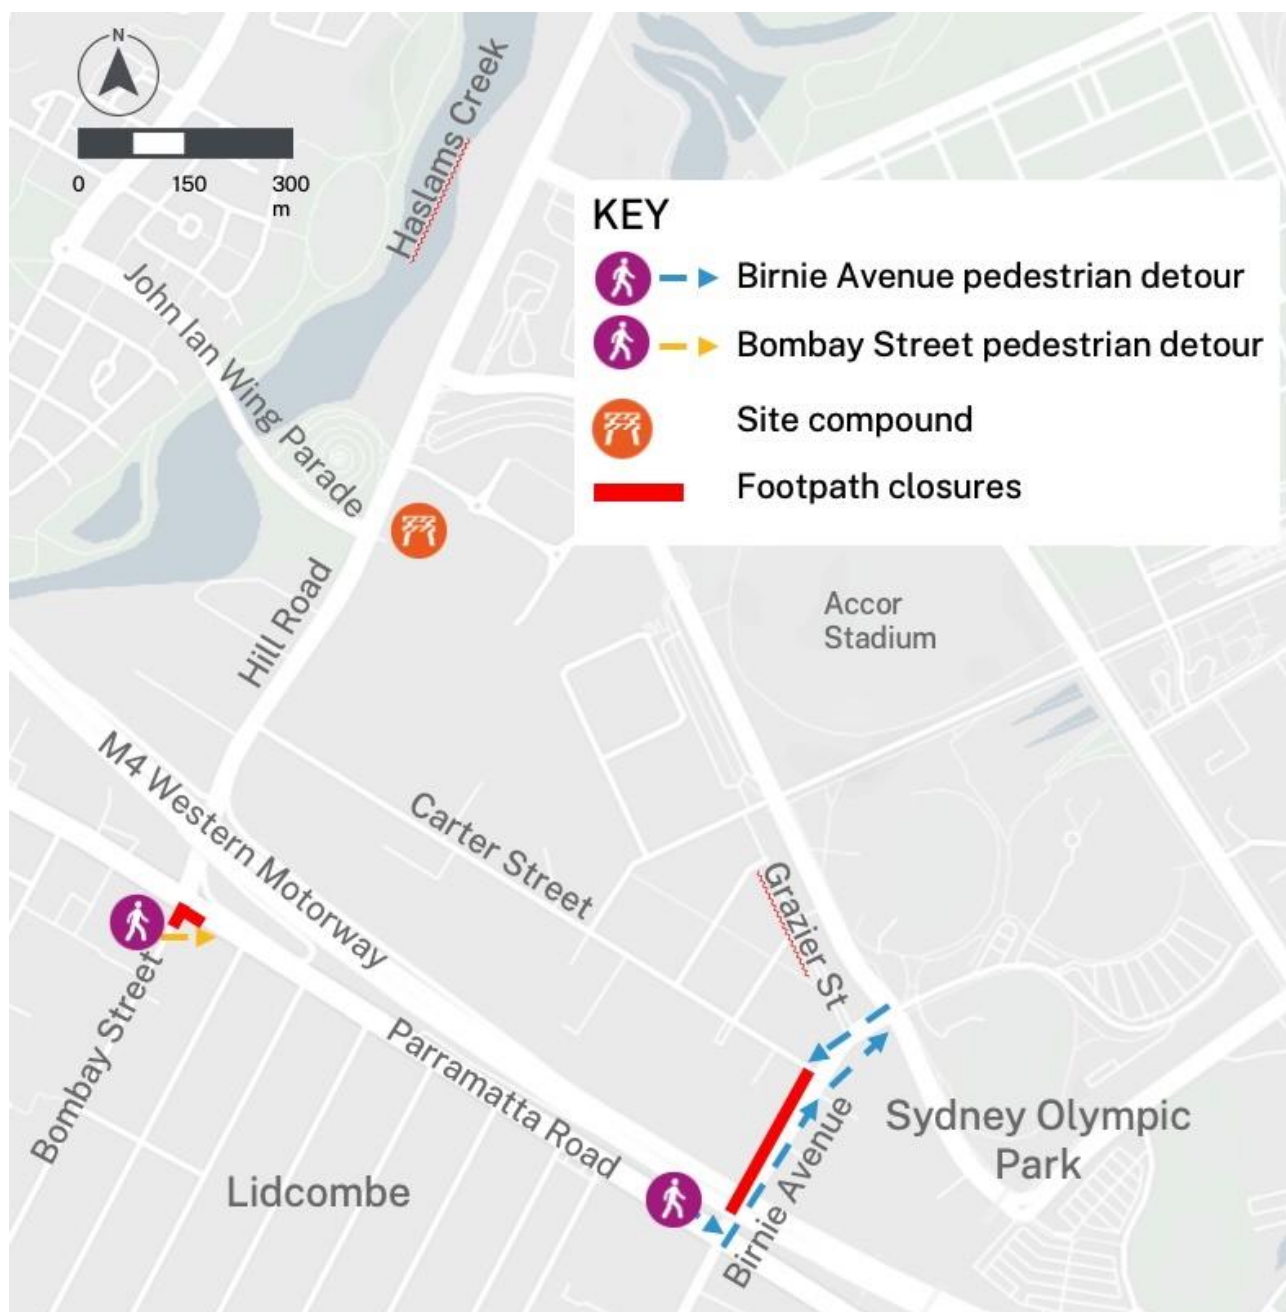

For all work zones there will be temporary detours for pedestrians and cyclists.

Please plan ahead and follow the directions of the detour signs and traffic controllers.

Thank you to the local community, residents and businesses for your patience and understanding while we carry out these essential works. We acknowledge that road closures and night works can be disruptive, and we are working hard to minimise impacts wherever possible. Your cooperation helps us deliver safer more efficient roads for the community.
