

Field investigations along John Renshaw Drive and Weakleys Drive, Beresfield from 25 August 2025

John Renshaw Drive Upgrade Program

August 2025

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The Australian and NSW governments are investing \$15 million into planning for a program of road improvements in and around the junction of the M1 Pacific Motorway (M1), John Renshaw Drive, and Weakleys Drive at Beresfield to improve road safety, journey reliability and freight efficiency.

Transport for NSW will carry out field investigations on and around John Renshaw Drive and Weakleys Drive, Beresfield to inform future road work and planning.

What work are we doing?

The field investigations include utility and ground surveys.

When and where we'll be working

We will be working during the day between **7am and 5pm**, from **Monday 25 August for up to eight weeks**, weather permitting.

We will be working during the night between **7pm and 5am**, from **Sunday 14 September for up to one week** and from **Sunday 5 October for up to one week**, weather permitting.

We have included a map to show the investigation area where the surveys will be carried out.

What will this mean for you?

The impacts to residents and businesses in the area will be minimal. You may notice:

- workers and vehicles
- changed traffic conditions to ensure the work zone is safe for workers and road users, including intermittent shoulder and single lane closures under traffic control and reduced 40 km/h speed limit
- temporary footpath closures with pedestrian detours in place
- some noise and light periodically from vehicles and equipment.

Please keep to speed limits and follow the direction of traffic controllers and signs.

Managing our impacts

We aim to manage our work to minimise impacts to the community and the environment by:

- turning off equipment and vehicles when not in use
- targeted lighting to minimise light spill
- maintaining driveway access at all times

Thank you for your patience during this important work.
