

Leightonfield Station maintenance work

From Tuesday 21 October to Tuesday 4 November 2025

What we are doing

To improve service reliability, Sydney Trains will complete maintenance works at Leightonfield Station from Tuesday 21 October to Tuesday 4 November.

Work activities include tactile upgrades on Platform 1 and 2.

We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Noise

- These works may create additional noise during the night and over the weekend.
- **Work will take place from 8pm to 5am Tuesday 21 October to Tuesday 4 November.**
- Finishing works including the removal of equipment may take place beyond the dates stated above. Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.

Access platforms

- Access to Platform 1 and 2 will be maintained while works are being carried out.

Traffic and parking

- Heavy vehicles will use local streets to access the rail corridor. Parking will be limited near access gates.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksites.

We apologise for any inconvenience and thank you for your cooperation during these essential works.

**Train timetables are
changing from 19 October**
