

Panania Cable Rectification Works

From Saturday 18 October to Sunday 19 October 2025

What we are doing

To improve service reliability, Sydney Trains will complete preparation works for a new cable route from Saturday 18 October to Sunday 19 October.

Work activities include:

- Excavation to expose existing buried services
- Digging back fill trenches.

We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Noise

- These works may create additional noise during the day only.
- **Work will take place from 6am to 6pm Saturday 18 October and Sunday 19 October.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.
- Finishing works including the removal of equipment may take place beyond the dates stated above.

Traffic and parking

- Heavy vehicles will use local streets to access the rail corridor. Parking will be limited near access gates.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksites.

We apologize for any inconvenience and thank you for your cooperation during these essential works.
