

Temporary closure of Old Pitt Town Road from 20 October 2025

Pitt Town Bypass

September 2025

Transport for NSW acknowledges the Darug and Gundungarra peoples as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

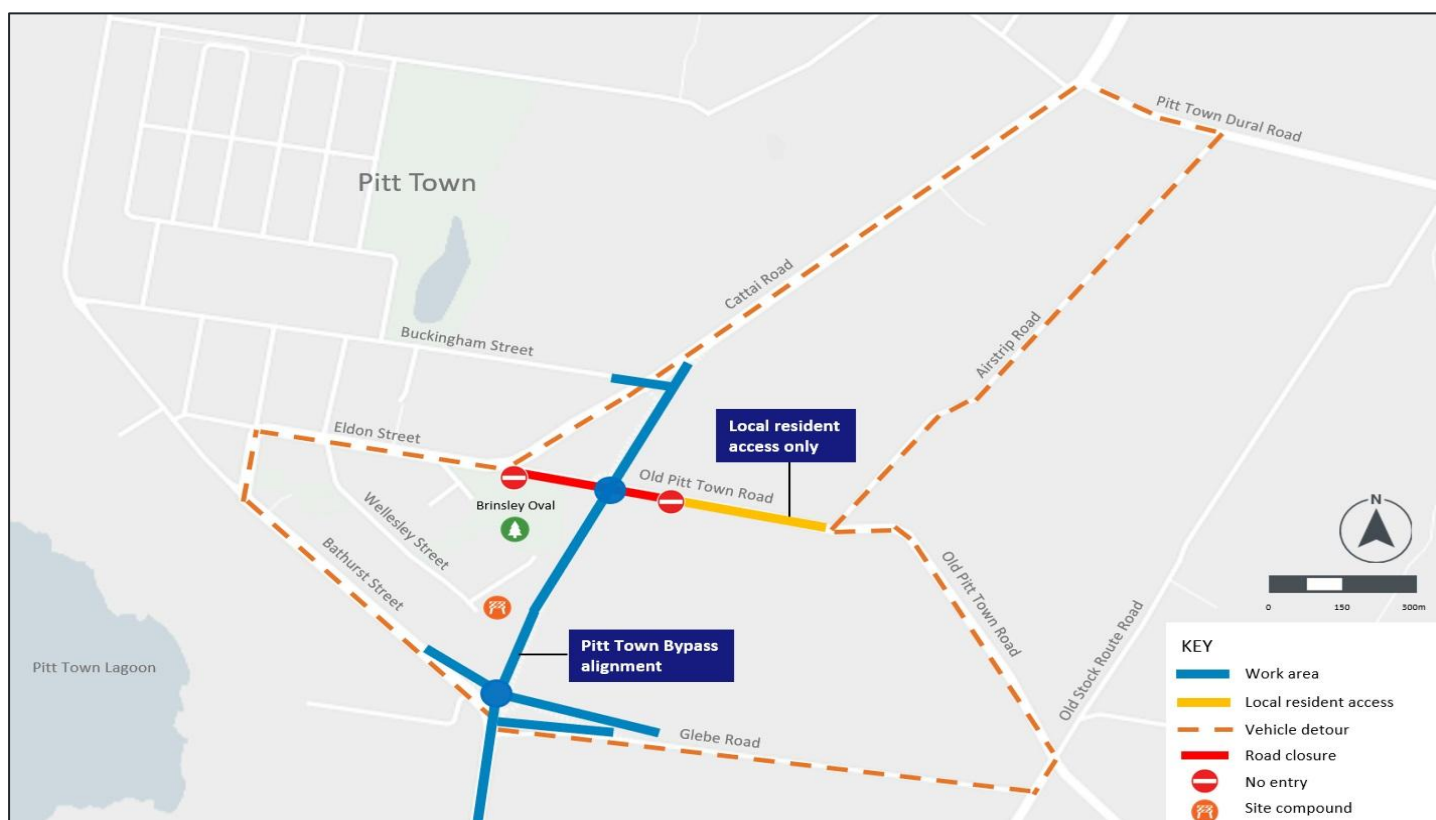

Transport for NSW is building the Pitt Town bypass to take traffic, including heavy vehicles out of the town centre. This will make travel safer and more efficient for all road users.

We have now established our site compound and started earthmoving and clearing vegetation in the project area where the future bypass will be.

Old Pitt Town Road – Temporary closure

For upcoming work to relocate existing utilities and build the northern roundabout, Old Pitt Town Road between Cattai Road and Airstrip Road will be temporarily closed for about **five months from 20 October 2025**.

Temporarily closing Old Pitt Town Road in this location will allow us to progress work on the new roundabout and around Old Pitt Town Road, Cattai Road and Eldon Street more quickly and efficiently. It will also make our work safer for our workers, road users and the community.

Temporary detours

While Old Pitt Town Road is closed in this area, temporary detours will be in place. Road users will need to use the detours via Cattai Road, Pitt Town Dural Road and Airstrip Road.

Local access to properties on Old Pitt Town Road will be available at all times.

We appreciate the patience and understanding of road users and the community while these detours are in place.

Other traffic impacts

There will be temporary traffic impacts while we complete this work. Detours and a reduced speed limit of 40km/h will be in place.

Please keep to the speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

We will send a further reminder about the temporary closure and information on ongoing work on the project in early October.

Thank you for your patience while we complete this important work.
