

Rail Service Improvement Program

Wolli Creek

July 2025

Transport for NSW acknowledges the Gweagal, Bidjigal and Gadigal people of the Eora Nation as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The Rail Service Improvement Program enables a safer, more equitable, and integrated transport network where people can travel more safely, reliably, and efficiently across NSW.

What work are we doing?

In July, demobilisation and other minor construction activities will occur at Lusty Street. This work will involve disconnecting our power supply at our site compounds. There will be no loss of power to nearby residential properties.

When and where we'll be working

Work will take place in Wolli Creek at our site compound and laydown areas on Lusty Street.

This work will only take place during standard construction hours between **7am and 6pm Monday to Friday, and 8am and 1pm on Saturdays.**

What will this mean for you?

You may notice:

- Workers and construction vehicles on Lusty Street and on adjacent roads in the area
- Noise from machinery and equipment
- Temporary traffic changes and presence of traffic controllers on Lusty Street.

Managing our impacts

We understand construction activities may cause disruption to our closest neighbours. Every effort will be made to minimise impacts from noise, machinery, and traffic.
