

# Wollongong bus layover relocation- Start of work from Monday 7 July

JULY 2025

Transport for NSW acknowledges the people of the Dharawal Nation as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

## Transport for NSW will start work to relocate the bus layover from Marine Drive to Atchison Street in Wollongong.

### What work are we doing?

Work includes laying a new surface, building driveways and driver facilities, including a lunchroom and toilets, and making changes to on-street parking.

A new public shared pathway will be installed to provide safe access between Atchison Street and Auburn Street.

Lighting, line marking and signage will be installed in and around the new layover area.

### When we'll be working

Work will be carried out during the day **from Monday 7 July between 7am and 6pm, for eight weeks, Monday to Friday**, weather permitting.

### Traffic impacts

During work, intermittent single lane closures and a reduced speed of 40 km/h will be in place for the safety of workers and road users.

Road users are advised to drive to the conditions and follow the direction of signs and traffic control.

### Changes to parking

The two mobility parking spaces within the Atchison Street car park will be relocated 15 metres south east onto Atchison Street. Two on-street parking spaces will be lost on Auburn Street and one on-street parking space will be created on Dean Street.

On-street parking changes will be in effect from Monday 7 July.

### What will this mean for you?

There will be temporary impacts while we carry out this work.

You may notice:

- workers and vehicles
- traffic controllers and signage
- lane closures and reduced speed limits
- noise from machinery and equipment.

We will make every effort to minimise our impacts and complete work as quickly as possible.

Once work starts, public access to the site will be permanently restricted.

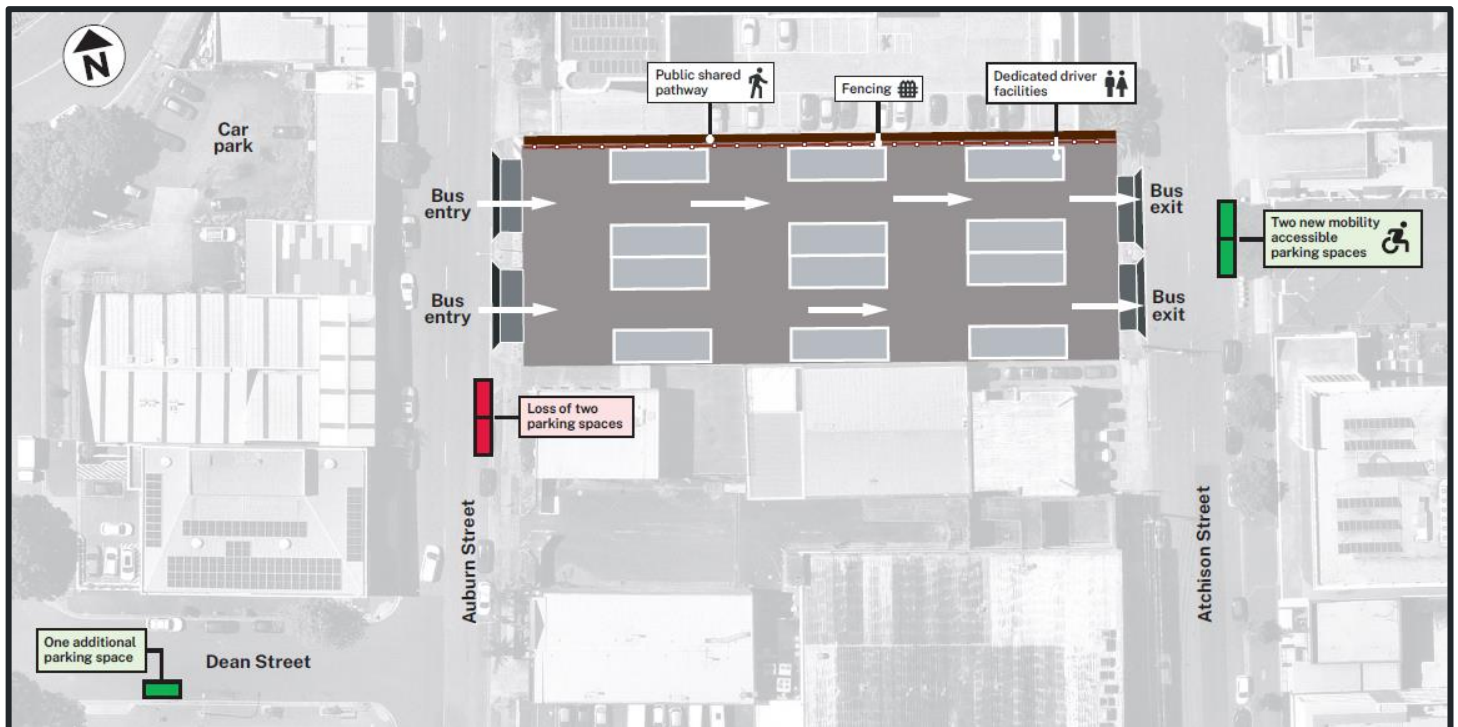

## What's next?

Changes to bus schedules have been finalised and revised timetables will be made available to the public in the coming weeks.

We thank you for your patience during this time.
