Transport Access Program

Croydon Station Upgrade

COMMUNITY NOTIFICATION

AUGUST 2017

The Transport Access Program is a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern and integrated transport infrastructure. Works are continuing as part of the Croydon Station Upgrade to provide new lifts, a new pedestrian footbridge, improved shelter, new bicycle racks and upgrades to lighting and CCTV surveillance.

Upcoming construction activities

Over the coming weeks, you may notice the following activities on site:

- building works and services installation for the new station operations building
- installation of the passenger lifts
- glazing installation for the new station concourse
- works to complete the new stairways
- construction of the new station entrance canopies and bicycle parking areas
- installation of services on the station platforms
- works to complete access pathways to the new station entrances.

Upcoming night works

To minimise disruption to passengers and ensure the safety of workers, certain upcoming activities will need to be undertaken at night, and will include work associated with the construction of the canopies on platforms 3 and 4.

These activities will be carried out between **Monday 14 August to Thursday 17 August 2017** between **10pm to 5am** the following morning. During the works, **one lane on the eastern side of Meta Street bridge will be closed**. Traffic controllers will be on site to assist with vehicle movements. These activities are not expected to generate much noise.

What equipment will be used?

The following equipment may be used during the construction period:

- elevated work platforms
- construction vehicles

For more information call **1800 684 490**,
Email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/projects
For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

NSW
MAKING IT HAPPEN

- dumper trucks
- cranes
- excavator
- mobile lighting towers
- generators
- power and hand tools
- traffic controller vehicles
- semi-trailers

What might I notice?

You may notice workers within the rail corridor, on the station platforms and along the work sites on Hennessy Street and Paisley Road. Traffic controllers will be on site and signage installed to ensure safe pedestrian and vehicle movements. Every effort will be made to minimise the noise impact on nearby residents and businesses. We apologise for any inconvenience and thank you for your patience during this important work.

Standard construction hours

Work will continue during standard construction hours which are **Monday to Friday 7am to 6pm and Saturday 8am to 1pm**. Additional notification of any works outside of these hours will be provided to the community prior to those works commencing.

This document contains important information about public transport projects in your area.
