

Transport Access Program

Byron Bay Interchange

HAVE YOUR SAY

February 2019

The NSW Government is improving Byron Bay Interchange.

Transport for NSW has announced a new project to transform the old rail site into a safe, modern and integrated interchange that will connect to the bustling town centre.

Have your say on the proposed improvements to the interchange. Key features include;

- a heritage-sympathetic bus shelter design
- an allocated area for kiss and ride and taxi services
- an accessible parking space
- allocated seating space for those with reduced mobility
- a new amenities building with a family accessible toilet and an ambulant toilet
- an upgraded pedestrian crossing to formally link to the Town Centre
- upgrades to the heritage water tower, including stabilisation works
- landscaping using native species
- three dedicated coach and bus bays
- an additional bay for shuttle and mini-bus services

Have your say

The proposal can be viewed and feedback provided by visiting at the following;

- **Byron Shire Council**, Byron Bay Road, Bangalow, between the hours of 9am-4pm Monday to Friday
- **The Office of Environment and Heritage**, Heritage Division, Level 6, 10 Valentine Avenue, Parramatta
- The Office of Environment and Heritage web page, <https://www.environment.nsw.gov.au/>
- Emailing projects@transport.nsw.gov.au

Direct enquiries and submissions can be made to James Quoye, Senior Heritage Assessment Officer, via email james.quoye@environment.nsw.gov.au or phone (02) 9873 8500

Submissions are due **on or before Thursday 14 February 2019**. All your comments will be considered before a final plan is developed.

Next steps

The community will be kept up to date by regular notifications and emails. Should you wish to join the project email list, please email projects@transport.nsw.gov.au.

Transport Access Program

This project is being delivered by the Transport Access Program (TAP), which is a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.
