

Transport Access Program

Como Station Upgrade

Have your say

Artist's impression of the proposed upgrade, subject to detailed design.

The NSW Government is improving accessibility at Como Station.

Have your say on the proposed improvements to Como Station. Key features include:

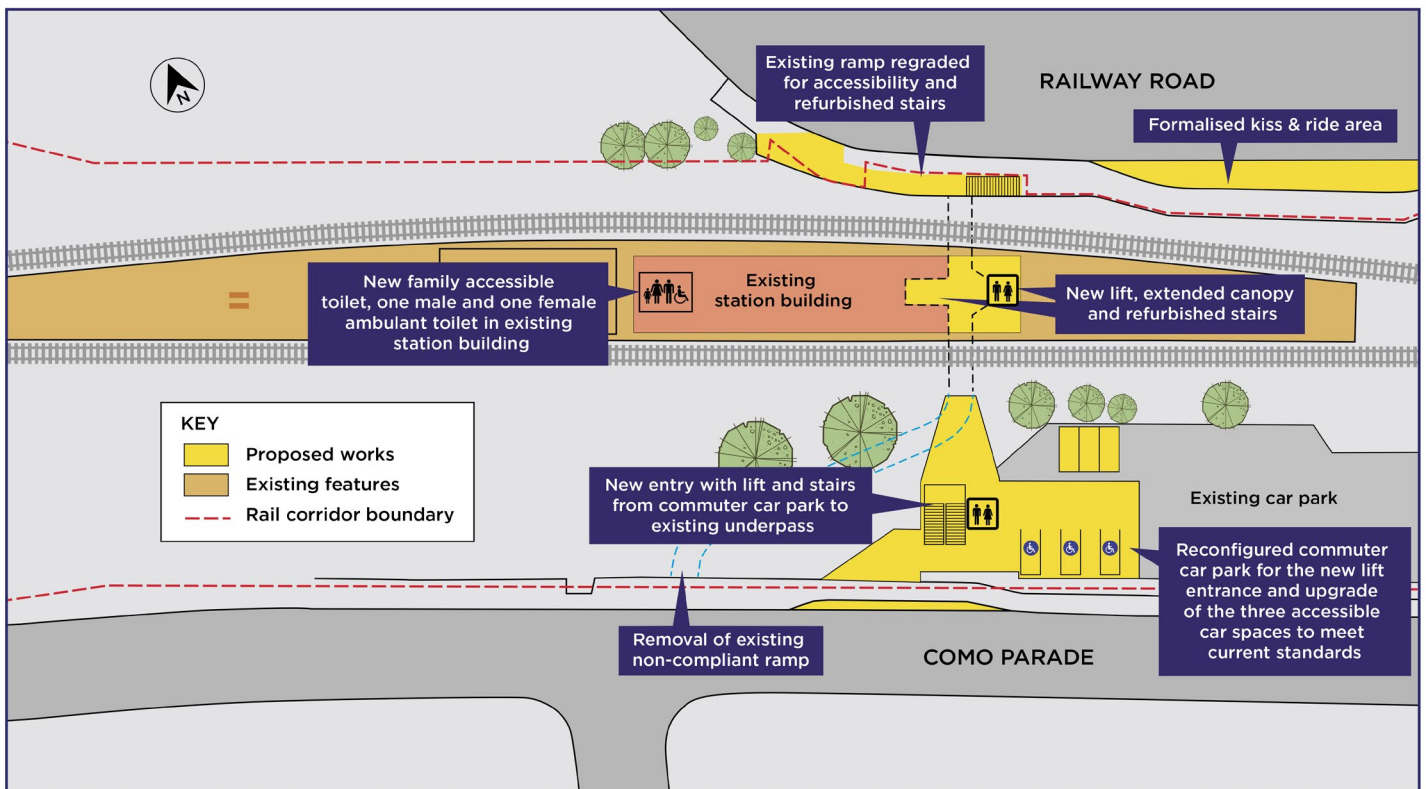

- two new lifts connecting the platform and commuter car park to the underpass
- upgraded station entry at the commuter car park, including new stairs to connect to the underpass
- formalised kiss and ride area on Railway Road
- three existing disabled parking spaces to be reconfigured to meet current accessibility standards
- new accessible pathways throughout the station, including a regraded ramp on Railway Road
- improved amenities such as new male and female ambulant toilets, a new family accessible toilet, CCTV and lighting.

Transport Access Program

This project is being delivered as part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure. As part of this program, the Como Station Upgrade would aim to provide a station precinct that is accessible to those with a disability, limited mobility, parents/carers with prams and customers with luggage.

Key features of the proposed Como Station Upgrade, subject to detailed design.

Have your say

The Review of Environmental Factors is on public display from **Thursday 4 April 2019** until **Wednesday 1 May 2019**, and community feedback is invited during this time. To view the REF, please scan the QR code or visit:

- transport.nsw.gov.au/como
- yoursay.transport.nsw.gov.au/como
- **Transport for NSW Office**
Level 5, Tower A, Zenith Centre,
821 Pacific Highway, Chatswood
- **Sutherland Shire Council**
4-20 Eton Street, Sutherland
- **Sutherland Library**
30-36 Belmont Street, Sutherland

Feedback may be sent to:

- projects@transport.nsw.gov.au
- **Transport Access Program - Como**
Associate Director Environmental Impact Assessment
Transport for NSW
Locked Bag 6501
St Leonards NSW 2065

Please provide your feedback by **5pm Wednesday 1 May 2019**.

Your feedback will help Transport for NSW understand what is important to customers and the community.

Visit the revamped Transport Access Program website at transport.nsw.gov.au/como or scan the QR code to virtually explore the proposed station upgrades and leave your feedback.

Next steps

Subject to planning approval, construction is expected to commence on-site in late 2019 and take up to 15 months to complete.

Development of an initial concept design for the project.

We are
here

Review of Environmental Factors (REF) prepared for public display and community feedback.

Transport for NSW reviews and responds to feedback from the community within a Determination Report.

Determination made whether project proceeds or not, detailing any changes to be made to the project scope.

Construction commences.

Come and meet the Transport for NSW project team

The Transport for NSW project team will be located at Como Station on **Wednesday 10 April 2019** from **4:30pm-6:30pm** to answer any questions you may have on the project.

Feel free to drop in at any time during these hours.

If you have any questions, please call the Project Infoline on **1800 684 490** or email projects@transport.nsw.gov.au.

Review of Environmental Factors

- The Review of Environmental Factors (REF) is a planning document outlining the proposed works, potential impacts and mitigation measures.
- The document includes comprehensive assessments on the existing environment and expected impacts of the project on the following areas: Traffic and Transport, Biodiversity, Visual Impact, Noise and Vibration and Heritage.

Como Station, March 2018.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **(02) 9200 0200**. The interpreter will then assist you with translation.
