

# Transport Access Program **Banksia Station Upgrade** Planning approval

*Artist's impression of the proposed Banksia Station Upgrade, subject to change during detailed design*

## **The NSW Government is improving accessibility at Banksia Station**

Planning approval has been granted for the Banksia Station Upgrade. The approval follows the public display of the Review of Environmental Factors from 11 – 25 August 2020, and preparation of a Determination Report.

The Determination Report and planning approval conditions are available at [www.transport.nsw.gov.au/banksia](http://www.transport.nsw.gov.au/banksia). The Transport for NSW project team would like to thank the community for their feedback during the planning process.

### **Project overview**

Transport for NSW is upgrading Banksia Station to make it easier for everyone to access public transport, including people with a disability or limited mobility, parents/carers with prams, and customers with luggage.

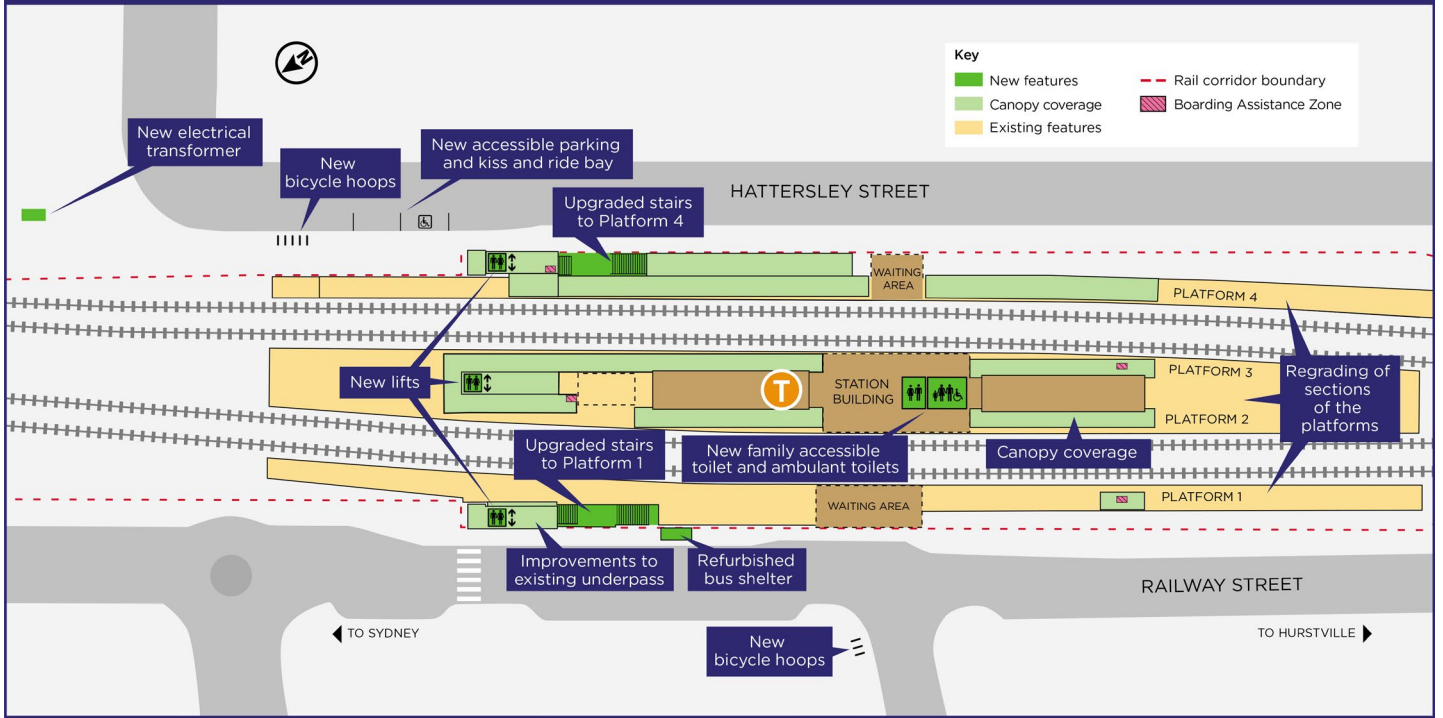

The project includes:

- three new lifts to the station platforms
- improvements to the existing underpass
- new kiss and ride area and accessible parking space on Hattersley Street
- upgrades to CCTV, lighting and wayfinding signage
- modifications to the existing station building on Platforms 2 and 3 to provide unisex ambulant toilets and a family accessible toilet
- regrading sections of the platforms
- additional canopy coverage along Platforms 2, 3 and 4.

## Key features of Banksia Station Upgrade

Key features of Banksia Station Upgrade, subject to detailed design

### Upcoming work and site set up

From **Monday 28 September**, site set up work will begin and continue in October.

Activities include:

- site office set up
- installing temporary fencing on Platforms 2 and 3 and on Railway Street
- installing temporary stairs on both Railway and Hattersley streets
- set up of a temporary Station Master Office, including electrical and plumbing work, on Platforms 2 and 3
- relocating electrical services at the new lift areas
- removal of the Station Master Office in the underpass and the structure on Platforms 2 and 3 to allow construction of the new lift, subject to approval.

Equipment to be used includes excavators, crane, sucker truck, delivery truck and hand held power tools.

### Keep in touch

We will continue to keep the community informed with regular project notifications and updates published on the project website [www.transport.nsw.gov.au/banksia](http://www.transport.nsw.gov.au/banksia).

If you would like to be added to the project distribution list, or for more information about the Banksia Station Upgrade, please call **1800 684 490** or email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au).

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.

Information about the feedback received during the public display period and how it was considered can be found in the project's Determination Report at [transport.nsw.gov.au/banksia](http://transport.nsw.gov.au/banksia) or by scanning the QR code.
