

Transport Access Program

Canley Vale Station Upgrade

Have your say

The NSW Government is improving accessibility at Canley Vale Station

Key features include:

- two new lifts from the existing footbridge to the station platforms
- new accessible parking space and kiss and ride on First Avenue
- one family accessible toilet and two ambulant toilets
- upgraded station entrance and widened footpath
- regrading sections of the platforms
- improvements to lighting, wayfinding and CCTV.

Have your say

The Review of Environmental Factors (REF) is on public display until **Wednesday 13 May 2020**, and community feedback is invited during this time.

Under normal circumstances Transport for NSW would hold community information sessions at the station. We regret that due to the COVID-19 social distancing measures, our engagement with the community will occur through online channels.

To view the REF, please scan the QR code over the page or visit transport.nsw.gov.au/canleyvale.

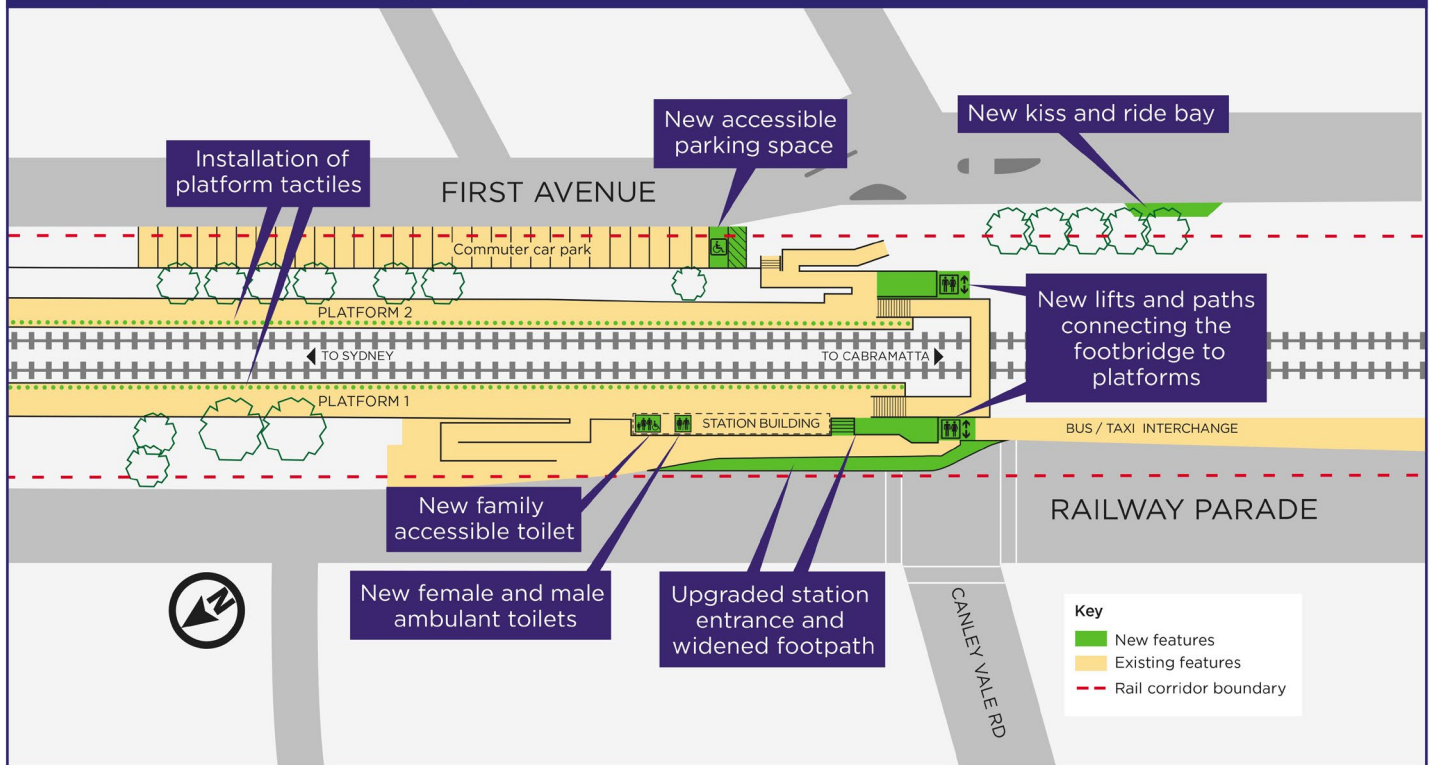

You can provide feedback by filling in the online feedback form on our website or by emailing projects@transport.nsw.gov.au.

Your feedback will help Transport for NSW understand what is important to customers and the community.
