

Transport Access Program

Banksia Station Upgrade

Project Update

December 2021

Transport for NSW is improving accessibility at Banksia Station. The upgrade will provide a station precinct that is accessible to people with a disability or limited mobility, parents/carers with prams and customers with luggage.

The newly upgraded station is scheduled to be delivered on time for customers in December.

Upcoming work

The lifts have not yet been opened and are now set to be open in December.

Other work will continue in December and includes:

- Finishing building works throughout the station area
- Finishing plumbing and tiling works in the new family accessible toilets and ambulant toilets
- Installation of new bins and seats on the platforms
- Installation of new platform indicators on Platforms 2, 3 and 4
- Installation of new bike hoops near the station entrances
- Installation of heritage items, a new mural and signage, on Platform 4 and in the underpass
- Site clearing and demobilisation
- Defects rectification.

Equipment to be used includes elevated working platforms, tipper trucks, delivery trucks, a vacuum truck, electric saw, powered hand tools, ground compaction equipment and concrete trucks.

These works are in line with the current Public Health Orders and a COVID-19 Safe plan is in place, including wearing of masks and use of QR codes.

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**.

For the safety of staff, customers and the community some work may be completed outside standard construction hours. Nearby residents and businesses will be notified before any work outside these hours takes place.

For more information call **1800 684 490**,
