

Transport Access Program

Banksia Station Upgrade

Project Update

August 2021

Transport for NSW is improving accessibility at Banksia Station. The upgrade will provide a station precinct that is accessible to people with a disability or limited mobility, parents/carers with prams, and customers with luggage.

Upcoming work

In line with recent restrictions introduced by the NSW Government on 17 July 2021 to help keep our communities safe, construction activities on the Banksia Station Upgrade were paused until Friday 30 July. We are making arrangements for our work activities to safely recommence from Monday 2 August. Should these restrictions change based on advice by the NSW Government, which may impact the timing of our work, the community will be notified.

The safety and wellbeing of our workforce and the wider community is our highest priority. You may see some of our workers on site as they prepare for work to start again. Please be assured our people and worksites follow NSW Health's COVID-19 requirements and will continue to do so.

Work includes:

- continuing with lift installation on Railway Street, Platform 2 and 3
- commencing lift installation on Hattersley Street
- building work on platforms 2 and 3, including the family accessible toilet and ambulant toilet
- electrical work throughout the station
- glazing work throughout the station areas.

Equipment to be used includes cranes, tipper trucks, delivery trucks, excavators, vacuum truck, powered hand tools, ground compaction equipment and concrete trucks.

Ongoing pedestrian access and parking changes

The level crossing on Railway Street will remain in place during August while paving work on the footpath is carried out. Please be careful when crossing Railway Street and look both ways for traffic before crossing the road.

Three parking spaces on Taylor Avenue and up to 12 parking spaces on Hattersley Street are temporarily unavailable as they are being used for construction vehicles and deliveries. The taxi zone on Railway Street will be unavailable at times during work near the station entrance. These changes will be in place until the end of 2021.

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**.

For more information call **1800 684 490**,

Email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/banksia

For the safety of staff, customers and the community some work may be completed outside standard construction hours. Nearby residents and businesses will be notified before any work outside these hours takes place.

Keep in touch

We will continue to keep the community informed with regular project notifications and frequent online updates published to the project website www.transport.nsw.gov.au/banksia

If you would like to be added to the project distribution list, or for more information about the Banksia Station Upgrade, please contact us on 1800 684 490 or email projects@transport.nsw.gov.au. For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on 1800 775 465.

We apologise for the inconvenience and thank you for your patience while we complete this work.
