

Transport Access Program

Canley Vale Station Upgrade

Community Notification

October/November 2021

Transport for NSW is upgrading Canley Vale Station to make it easier for everyone to access, including people with a disability or limited mobility, parents or carers with prams, and customers with luggage.

Upcoming work

Work continuing in October and November includes:

- general civil and electrical work
- removing site sheds and hoarding

To carry out this work we'll use trucks, elevated work platforms, drill rigs, scaffolding, a crane and hand tools.

Weekend work in October 2021

From **6pm on Friday 22 October** to **5am on Monday 25 October 2021**, work will take place continuously during a Sydney Trains trackwork weekend, when trains are not running.

Work will take place in the rail corridor, at the station, and on Railway Parade and First Avenue, and includes:

- painting and finishing work of lift shafts and canopies on Platforms 1 and 2
- removing the site compound
- removing hoarding around the lift shafts

To carry out this work we'll use trucks, cranes, elevated work platform, generators, lighting towers and hand tools. Traffic control and signage will be in place to assist pedestrians and motorists around the work area when required.

Some of the work will be noisy. Every effort will be made to minimise the noise by turning off vehicles and equipment when not in use, monitoring noise levels, using non-tonal reversing beepers and acoustic barriers and solar powered lighting towers.

Access changes during weekend work

To carry out this work safely, temporary access changes will be in place throughout the weekend. Traffic controllers and signage will be in place to assist motorists and pedestrians.

For more information call **1800 684 490**,

Email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/canleyvale

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**.

Road closures and temporary parking changes

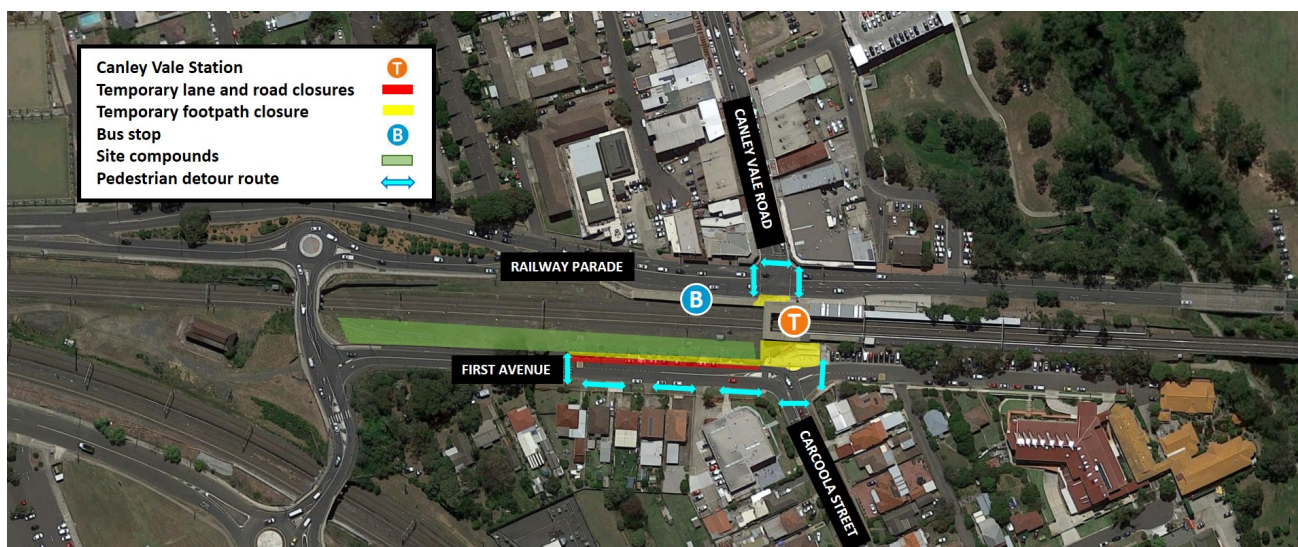

From **6pm on Friday 22 October** to **8pm on Sunday 24 October**, the following changes will be in place:

- The kiss and ride zone and accessible parking space on First Avenue will be temporarily closed.
- One lane of traffic on First Avenue towards Caroola Street may be closed intermittently to allow for delivery trucks to access the site compound.

Pedestrian access changes

The footpath on the station side of First Avenue will be blocked and pedestrians will need to use the footpaths on the opposite side of the street. Pedestrian detour will also be in place on Railway Parade. Please see map below for details. Traffic controllers and directional signage will be in place to assist pedestrians. The pedestrian footbridge will remain open for customers.

Map of road closures and pedestrian detour during weekend work (22 October to 25 October)

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**.

Keep in touch

We will continue to keep the community informed with regular project notifications and frequent online updates published to the project website www.transport.nsw.gov.au/canleyvale.

If you would like to be added to the project distribution list, or for more information on the Canley Vale Station Upgrade, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au.

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.
