

Transport Access Program

Canley Vale Station Upgrade

Community notification

May 2021

Transport for NSW is improving accessibility at Canley Vale Station. The upgrade will provide a station precinct that is accessible to people with a disability or limited mobility, parents/carers with prams, and customers with luggage.

Out-of-hours work

For the safety of our workers, pedestrians and rail passengers, out of hours work will take place over three nights, between **7pm to 6am** on **Monday 10 May**, **Tuesday 11 May**, and **Thursday 13 May**.

During this night work, new tactile indicators will be installed along the edge of the station platforms. Tactile indicators are raised markings placed on the platform edge to warn pedestrians with vision impairment.

Equipment to be used includes powered hand tools and a delivery truck.

The previous tactiles were removed between **Friday 30 April** and **Monday 3 May**. Between 3 May and 10 May, temporary non-slip yellow tape will be used to mark the edge of the platform. Additional measures including extra station staff, security guards, frequent announcements, and directional signage will also be used to ensure pedestrian and customer safety.

Community impact

As the work will involve hand tools only, the noise impact will be minimal. Standard measures to reduce noise will be implemented, such as turning of machinery and equipment when not in use, monitoring noise, and using acoustic barriers, if required. No lighting towers will be used during this work.

During this period, the station pedestrian bridge will **remain open**.

We thank you for your patience during this important work.

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**.

For more information call **1800 684 490**,

Email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/canleyvale

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**.

Keep in touch

We will continue to keep the community informed with regular project notifications and frequent online updates published to the project website www.transport.nsw.gov.au/canleyvale.

If you would like to be added to the project distribution list, or for more information on the Canley Vale Station Upgrade, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au.

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.
