

# Power Supply Upgrade

## AC Feeder Upgrade Project – Revesby and Bankstown

Community Notification

January 2022

### Project overview

The AC Feeder Upgrade Project is part of the Power Supply Upgrade which is designed to meet expected power requirements for Sydney's future rail network and new fleet of air-conditioned trains. The work involves upgrades to substations, section huts, overhead wiring and feeders as well as the construction of new infrastructure across the network.

### Upcoming work

The AC Feeder Upgrade Project team will be carrying out work to upgrade and replace power poles at various locations along **Polo Street, Milperra Road and Albert Street, Revesby and Mons Street, Eldridge Road and Northam Avenue, Bankstown**. See maps of the work areas on the next page.

Properties in proximity to a new pole will receive additional and specific information.

This work will be carried out in two stages.

<b>Stage 1</b>	Before the new poles can be installed, service investigation work will be carried out and suitable holes will be pre-drilled from <b>Monday 3 January 2022 to Monday 28 February 2022, between 7am and 6pm Monday to Sunday</b> . This work will involve: <ul style="list-style-type: none"><li>• Delivering plant and materials to each work area</li><li>• Setting up safety barriers</li><li>• Identifying utility services using a vacuum truck</li><li>• Using an auger to pre-drill holes for new poles</li><li>• Backfilling the holes to make safe until the new poles are installed during Stage 2 work.</li></ul>
<b>Stage 2</b>	New poles will be delivered and installed from <b>Tuesday 1 March 2022 to Monday 31 October 2022</b> . Stage 2 work will be the subject of future notification.

### What you may notice

Transport for NSW is committed to minimising impact on the community.

We switch off equipment when it is not being used and monitor our work activities to make sure noise levels are being managed effectively. We apologise in advance for any inconvenience this work may cause.

### Keeping the community informed

If you would like to speak with the project team about this work, please contact TfNSW through the details provided below. Thank you for your patience and understanding during this work.
