Mariyung Maintenance Facility

5 to 6 August 2023

Australian Government

Transport for NSW acknowledges the Darkinjung people as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The Mariyung Maintenance Facility at Kangy Angy is purpose-built to service and maintain the Mariyung fleet of intercity trains.

UGL Limited operates and maintains the facility on behalf of Transport for NSW and NSW TrainLink.

What work are we doing?

We will carry out construction activities within the maintenance facility site, including concrete cutting and drilling, and installation of signalling and underground services.

Equipment to be used includes but is not limited to:

- concrete saw
- jackhammer
- excavator
- trucks
- compactor
- vacuum truck
- hand tools.

Please see the map overleaf for further details of the work areas.

When and where we'll be working

We will carry out this work at the **Mariyung Maintenance Facility** outside standard construction hours, between **8:00am** and **4:00pm** on **Saturday 5** and **Sunday 6 August 2023**, weather permitting.

What will this mean for you?

As the work will be within the existing site, impacts on the community are expected to be minimal.

You may notice:

- workers and vehicles accessing the site through the main gate
- noise from machinery and equipment.

There is no change to the site size, operation of the facility, or ongoing train maintenance activities.

Managing our impacts

We will take every step to reduce noise and impacts on the community and the environment.

This includes and is not limited to:

- using non-tonal reversing beepers
- instructing workers to keep noise to a minimum.

Location of work area

More information

Working closely with the community is important to UGL and Transport for NSW. We appreciate your understanding while this is completed.

For urgent enquiries or complaints regarding construction activities, please call 24 hours 1800 775 465.

Residents can contact UGL directly by calling 0428 165 203 or emailing kaenquiries@ugllimited.com

If you have questions or concerns or would like more information about the **Mariyung Maintenance Facility** and/or **Mariyung Fleet Project**, please contact us using the details below.
