

AC Feeder Upgrade Project – Bankstown, Condell Park, Revesby Power Supply Upgrade

October 2023

Transport for NSW acknowledges the Darug and Eora Nations as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

The AC Feeder Upgrade Project is part of the Power Supply Upgrade which is designed to meet expected power requirements for Sydney's future rail network and the new fleet of airconditioned trains. The work involves construction of new electrical infrastructure across the network as well as the upgrades to substations, section huts, overhead wiring, and feeders.

What work are we doing?

Work through October 2023 will include:

- delivering plant and materials to and from temporary work sites
- trimming and removing vegetation
- transferring/restringing conductors (wires)
- finalisation work if required
- restoring locations when our work is finished.

When and where we'll be working

Working hours are **7am to 6pm, Monday to Friday and 8am to 1pm, Saturday**. Work may occur anywhere on the feeder route as well as within Revesby Station car park shown on the map on the next page. Expected work areas and dates are shown but may change without notice.

Out of hours work is scheduled from 6pm to 6am the following morning at the following locations:

- **Eldridge Road, Condell Park** between Jellicoe and Mons Streets on **Saturday 14 October**.

Cancellation of work due to weather may occur without notice.

What will this mean for you?

For any necessary power outage, Ausgrid will provide separate notifications. We will coordinate with Ausgrid to restore power as soon as it is safe to do so. Please contact Ausgrid on 13 13 88 if you have any questions or concerns in relation to any power outage. We apologise in advance for any inconvenience this work may cause.

Partial lane and road closures may be in place close to the work areas. Access to properties and traffic movements may be delayed for short periods of time, typically less than 5 minutes. For your safety, please follow the direction of traffic control personnel.

Revesby Station car park

Work in the **Revesby Station car park** to upgrade underground cable routes will be ongoing through October 2023 during construction hours. Access for residents and businesses will always be maintained.

Out of hours work is scheduled in the Revesby Station car park from **7am to 6pm, Saturday 30 September**, and **8am to 6pm, Sunday 1 and Monday 2 October 2023**.

In addition to the current temporary parking restrictions in the Revesby Station car park as previously notified, more **temporary parking closures** are necessary as per below:

- From **6am Saturday 30 September until 6pm Wednesday 4 October 2023**, up to 15 additional car spaces will be temporarily

removed in the Polo Street car park

- From **6pm Saturday 30 September until 6pm Monday 2 October 2023**, the entire Polo Street car park will be closed for two days to safely facilitate work.

Signage will be in place around the car park to assist motorists during these closures.

Equipment to be used

Plant and equipment to be used include augers, cranes, elevated work platforms, vacuum trucks, excavators, compacters, cable winch, street sweeper, service vehicles, delivery vehicles, electrical and hand tools.

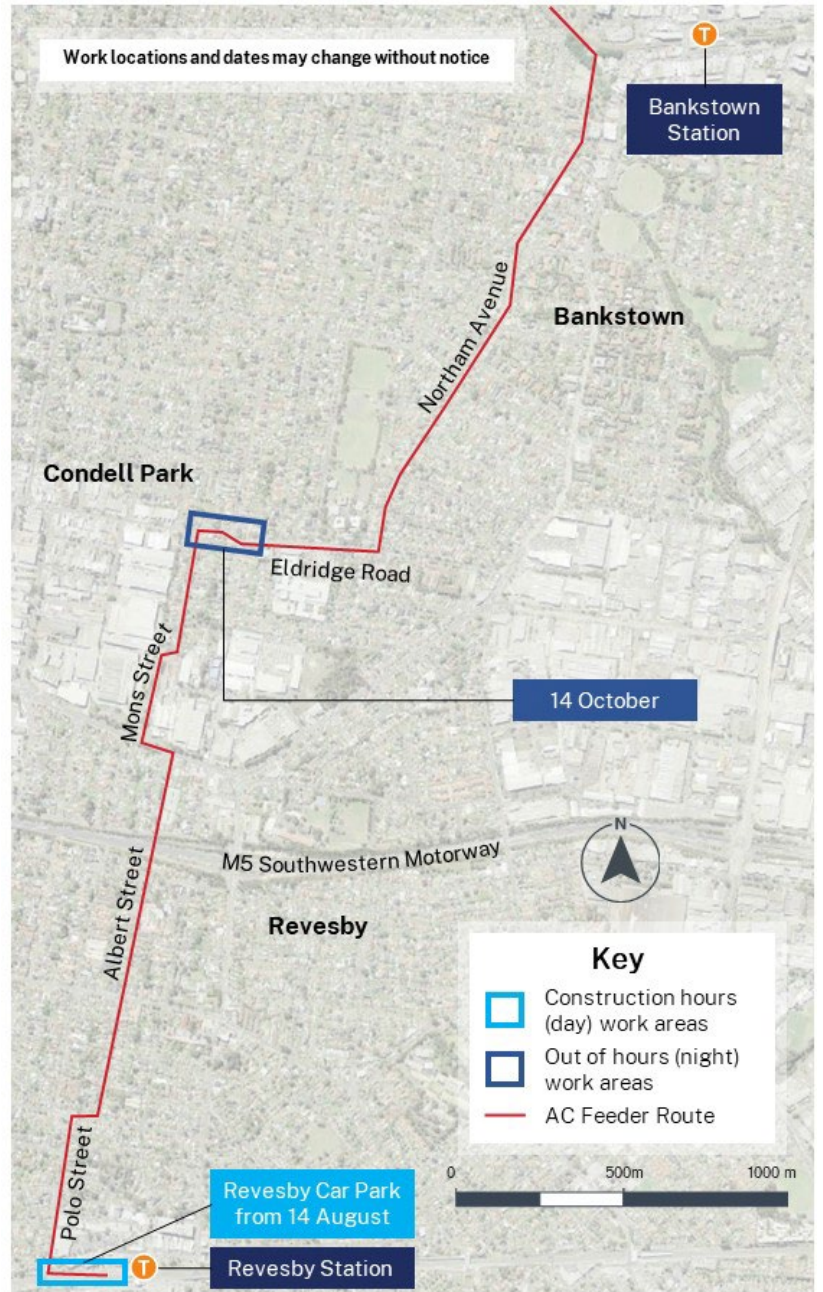

Managing our impacts

Transport for NSW is committed to minimising the impact on the community.

We switch off equipment when it is not being used, place equipment as far away from properties as possible and monitor our work activities to make sure noise levels are being managed effectively. Higher noise-generating work is only expected to occur for short periods.

We apologise for any inconvenience caused and thank the community for their patience while we undertake this essential work.
