

# Newell Highway intersection upgrade work at Burrington Road south of Moree

## Narrabri to Moree Heavy Duty Pavement Upgrade

March 2024

Australian Government

BUILDING AUSTRALIA

Transport for NSW acknowledges the Aboriginal people as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The NSW and Australian Governments are jointly funding the \$261.17 million Heavy Duty Pavement Upgrade of the Newell Highway between Narrabri and Moree under the Newell Highway Upgrade program.

### What work are we doing?

Intersection upgrade work will be carried out at the Burrington Road and Newell Highway intersection south of Moree.

### When and where we'll be working

Work will be carried out approximately 7 kilometres south of Moree at Burrington Road from **7am** to **6pm** from **Monday 4 March** and will be completed by **Monday 8 April 2024**, weather permitting.

### Traffic changes

Access to Burrington Road from the Newell Highway will be temporary closed from **Monday 4 March** to **Monday 8 April 2024**. A detour will be in place via Tapscott Road (see map below).

Work on the Newell Highway will be carried out under existing traffic control conditions to keep the work zone safe, which includes reduced speed limits, lane closures and intermittent stopping.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call **132 701**, visit **livetraffic.com** or download the **Live Traffic NSW App**.

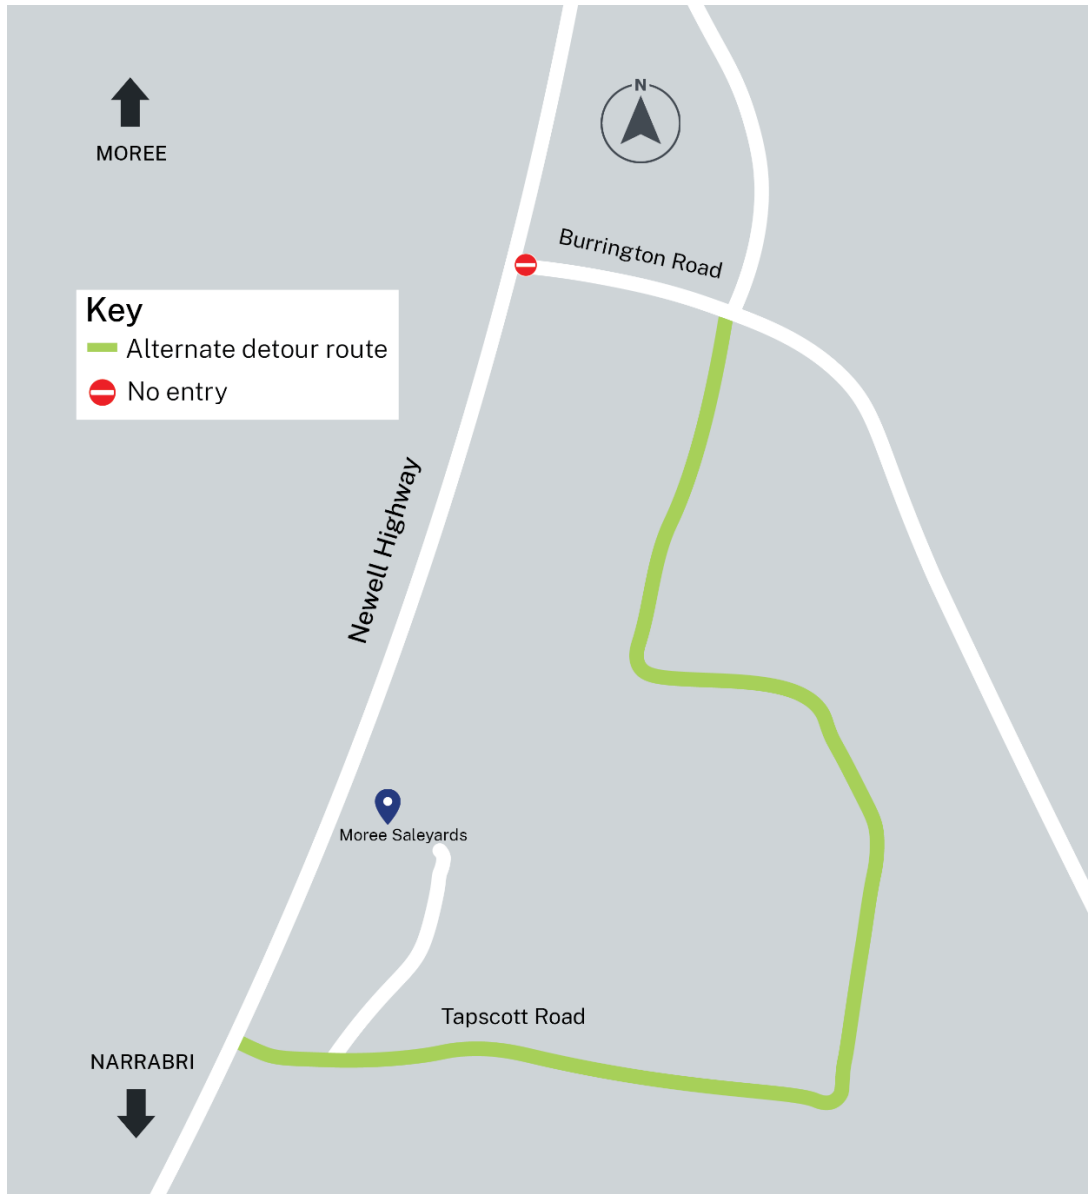

### Managing our impacts

During the Burrington Road intersection closure, access to Burrington Road will be via Tapscott Road, approximately 1.8 kilometres south of the intersection on the Newell Highway.

Residents and businesses within the work area will be directly consulted about the planned work activities at least five days before work commences.

## Location of work area, alternate route during intersection closure
